PART I.

Proceedings of the Government of His Highness the Maharaja of Mysore, Land Revenue, dated 4th May 1914.

READ AGAIN—

Government Order No. 6058-6107—L. R. 430-13-1, dated the 6th February 1914, sanctioning the introduction of the Village Improvement Scheme.

No. R. 8644-53—L. R. 430-13-4, DATED BANGALORE, 4TH MAY 1914.

ORDER THEREON.—With a view to enable Deputy Commissioners to provide such additional establishment as may be required temporarily during the current year to cope with the additional work involved in the preparation of lists of villages in which Village Committees have been formed, the compilation of statistics, etc., under the Village Improvement Scheme, Government are pleased to direct that a sum not exceeding Rs. 5,000 may be spent to meet the cost of temporary establishment. The amount will be distributed between the districts as under:—

		Rs.			Rs.
Mysore	...	900	Shimoga	...	600
Bangalore	...	700	Hassan	...	500
Kolar	...	700	Chitaldrug	...	500
Tumkur	...	700	Kadur	...	400

The amount required during the current year will be met out of the provision of 5 lakhs of rupees under "26 Mis." in the current year's budget; and that required next year, from the provision for village improvements to be made in the ensuing budget.

2. The amount sanctioned for each district will be placed at the disposal of the Deputy Commissioner of the District and he will be permitted to sanction at his discretion out of this amount the cost of such temporary establishment as may be absolutely necessary for the purpose in each Taluk, Sub-Division Office, and the Deputy Commissioner's Office for a period not exceeding three months in each case.

3. Under existing orders the taluk statistics are due by the end of July and the returns for the districts by the end of August. The period of three months is therefore considered sufficient. The Deputy Commissioner will be free to adjust the establishment according to circumstances of his district but all appointments under this order will terminate absolutely by the end of September. If it is considered necessary to extend any appointment beyond a period of three months, the sanction of the Revenue Commissioner should be obtained. The Deputy Commissioners are also requested to intimate to the Revenue Commissioner and the Comptroller, the establishment entertained from time to time and furnish a consolidated statement to Government through the Revenue Commissioner at the end of the year.

4. The Revenue Commissioner is authorised to entertain one clerk on Rs. 50 or 2 clerks on Rs. 25 per mensem for a period of three months after the end of July to assist in the preparation of a consolidated return of statistics for the whole State.

5. The question whether any and what additional establishment is necessary to carry on the work connected with the Village Improvement Scheme and for what periods it may be entertained and what precautions are necessary to see that only competent men are employed and to regulate expenditure, will be considered at a Conference of Deputy Commissioners when they assemble at the Capital for the Birthday in June next.

Proceedings of the Government of His Highness the Maharaja of Mysore, Land Revenue, dated 9th May 1914.

READ—

Letter No. 787, dated the 26th March 1914, from the Deputy Commissioner, Bangalore District, soliciting instructions as to whether grants-in-aid under Government Order No. 6058-6107—L. R. 430-13-1, dated the 6th February 1914, may be paid for the improvement of alienated villages.

No. R. 8749-58—L. R. 430-13-16, DATED BANGALORE, 9TH MAY 1914.

ORDER THEREON.—The principle is to treat it as the duty of the Inamdar, who enjoys the benefit of a partial or a total assignment of the revenues of the village, to provide the expenditure required for the improvement of the inam village ; but in actual practice this obligation is seldom enforced. As the inhabitants of an inam village deserve also to be assisted in carrying out works of permanent improvement in the village, such as sinking drinking water wells, execution of masonry drains and constructing buildings, school houses, etc., Government are pleased to direct that, as a special case, grants-in-aid not exceeding one-fourth of the total cost of the work may be sanctioned for inam villages, provided a village committee has been appointed in the village and not less than half the cost of the proposed improvement has been paid by the villagers and the other one-fourth by the Inamdar or the villagers.

D. M. NARASINGA RAO,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Revenue Commissioner in Mysore.
The Deputy Commissioner, Bangalore District.
The Deputy Commissioners of other Districts.
The Comptroller, Mysore Government

Proceedings of the Government of His Highness the Maharaja of Mysore.

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Appeal No. 22 of 1912-13.

Appellant	*vs.*	*Respondent*
Ramappa, kayamguttadar, Kyalanoor village, Kolar Taluk		Abdul Basidkhan, patel of Kyalanoor

Subject.

Appeal against the order of the Revenue Commissioner recognizing the respondent as patel of Kyalanoor and directing the sale of the appellant's lands in satisfaction of the arrears of potgi due by him to the respondent.

Facts of the case.

As there was no hereditary patel for Kyalanoor village, one Narsappa was performing the pateli duties till 1890 when he being old and infirm requested permission to resign the office in favour of Chidambarayya, his brother-in-law. His request was declined and the appellant was asked to nominate a proper man for the pateli office. Thereupon, the appellant himself undertook to do the duties and requested that he might be appointed patel. On 29th October 1897, the Deputy Commissioner (Mr. A. Rangasami Iyengar) approved of the appellant's appointment tentatively for one year and ordered that a suitable person should be found for the office.

On the expiry of the above period, the Amildar recommended the appellant's confirmation. This was not sanctioned and the Amildar was asked to invite applications from the people and nominate one of them for appointment, the appellant being allowed to continue as patel in the meantime. The Amildar accordingly received applications from the marginally noted persons and recommended the third man. The appellant was then asked if he was agreeable to the selection. He not only did not agree to it but also requested that he himself might be appointed patel. The Deputy Commissioner however ordered on 20th May 1902, that a man unconnected with either party should be selected and reported for confirmation. Thereupon, the Amildar nominated one Khader Navaz Khan whose appointment was approved by the Deputy Commissioner on 25th November 1902, temporarily for one year. The appellant and some of the village people protested against the appointment and their petitions were rejected by the Deputy Commissioner on 13th February 1903. The appellant thereafter put in a review petition to the Deputy Commissioner and prayed for a reconsideration of his order. The Deputy Commissioner rejected the review petition and ordered that the appellant should select a proper person for the pateli office; that he could not be appointed patel as he frequently absented himself from the village and was at the head of a party and that the present incumbent might continue to act till his successor was duly appointed.

(1) Venkatanarayanappa
(2) Dastagiri Sabi
(3) Sabja Sabi

In the meantime, Khader Navaz Khan died on 26th June 1903, and a notice dated 17th July 1903, was served on the appellant requiring him to select another competent patel. He nominated one Ponne Munivenkatappa. As some people of the village protested against this appointment, the Deputy Commissioner disapproved the nomination and ordered the selection of a man unconnected with the appellant. The Amildar accordingly selected Abdul Basidkhan and on 10th May 1904, the Sub-Divisional Officer appointed him patel on probation for one year. After the expiry of the said period he was confirmed by the Sub-Divisional Officer and granted a Sannad also.

As the appellant failed to pay the potgi due to the respondent's brother from 1st February 1902 to 26th June 1903, and that due to the respondent from 29th June 1903, the Deputy Commissioner ordered that the arrears should be recovered from the appellant as a revenue demand. Survey No. 39 of Thippenahalli village in the same taluk was accordingly sold in public auction for Rs. 180. On appeal, the Revenue Commissioner confirmed the order of the Deputy Commissioner.

Land Revenue, dated 7th May 1914.

Hence, the present appeal. The appellant contends that potgi is not recoverable from him as both the respondent and his brother were appointed without his consent and requests that the respondent may be removed from the said pateli office.

Order.

Under the Revenue Rules, the appointment of patel should be made on the nomination of the inamdar subject to confirmation by the Deputy Commissioner. The inamdar nominated one Munivenkatappa who was not considered suitable by the Deputy Commissioner. The proper thing was to give an opportunity to the inamdar to make another nomination. As this was not done, the appointment of the respondent must be cancelled.

He has however done the greater part of the patel's duties till now. The appellant agrees to deposit the potgi for which his lands have been sold. If this is done within three months, the sale will be cancelled. Otherwise, it will be confirmed.

The Deputy Commissioner should call upon the appellant to nominate another patel and the Deputy Commissioner should then exercise his power to approve or disapprove of the choice. Of course if after a reasonable opportunity is given, the inamdar cannot find a proper person, the Deputy Commissioner would have to make the appointment from his own selection. But it should be borne in mind that it would be undesirable to force on an inamdar a patel who is opposed to him and who is likely to deprive the inamdar of all consideration due to his position as such.

No. R. 8696—L. R. 462-12-6, DATED BANGALORE, 7TH MAY 1914.

Copy of the above is forwarded to the Revenue Commissioner in Mysore together with the records received with his letter No. 653, dated 19th July 1913.

By Order,
D. M. NARASINGA RAO,
Offg. Secy. to Govt., Gen. & Rev. Depts.

Exd.—K. N.

Proceedings of the Government of His Highness the Maharaja of Mysore,

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Regular appeal No. 99 of 1911-12.

Appellant	*vs.*	*Respondent*
Nagappa of Konganahalli, Chintamani Taluk.		Subrayappa, son of Donnappa, late Patel of Konganahalli.

Subject.

Appeal against the order of the Revenue Commissioner in Mysore, declining to recognise the claim of the appellant to the pateli-office of Konganahalli village, Chintamani Taluk.

Facts of the case.

Channappa, the registered Patel of the above village, died unmarried in the great famine of 1877-78. His two brothers Dod Subrayappa and Chik Subrayappa also died at about the same time, leaving no male issue. But Chik Subrayappa had left 4 daughters. As there were none on the spot to represent the baravardar's family, the local authorities seem to have appointed one Donnappa, father of the respondent, to perform the pateli duties. He held the office undisturbed till 1899 when Ramappa, grandson of Lakshmamma, sister of Channappa, claimed it. The Sub-Division Officer (Mr. K. R. Srinivasiengar) rejected his claim as he was a very distant relation of the original registerdar Chennappa and confirmed Donnappa in his appointment.

In 1905, the appellant Nagappa, the son of Chik Subrayappa's daughter, claimed the said office, but the Sub-Divison Officer rejected his claim on the ground that the office had passed out of his family more than 12 years back. On appeal, the Deputy Commissioner ordered that he must establish his claim in a regular suit.

The appellant accordingly filed a regular suit on 1st March 1907 in the Court of the Deputy Commissioner, the Sub-Division Officer (Mr. Humza Hussain) to whom the case was referred for enquiry and report, stated that Nagappa failed to prove that Donnappa held the office as a gumasta; that the possession of office by Donnappa was adverse to the appellant and that the suit might be dismissed.

The Deputy Commissioner however held that Donnappa (a non-Brahmin) had no right to the office as he was no legal heir to the last baravardar Channappa (a Brahmin) and had failed to produce any written order appointing him a permanent Patel or a sircar gumasta and directed that the Pateli office in question should be registered in the name of the appellant in the absence of other nearer heirs claiming the office. On second appeal, the Revenue Commissioner observed that after the death of Channappa the office was absolutely at the disposal of Government and that Donnappa's possession of office for over 28 years was adverse to the appellant's family and set aside the order of the Deputy Commissioner.

The present appeal is against this order. It came on for final hearing on 6th April1 914, when the appellant and the respondent with their respective Advocates Messrs. D. Venkataramiah B. A., and B. V. Ramaswamy Chetty, B. A., were present and heard.

ORDER.

As far as can be made out from the records, Channappa, the baravardar, died before his brother Chik Subrayappa and so the latter became entitled to the office. Chik Subbarayappa's heirs, *i.e.*, his daughters and daughter's sons would therefore become entitled to the office. For recovering a hereditary office time runs from the beginning of adverse possession by the respondent. It is admitted that the baraward of Channappa was not altered till 1903. Donnappa did not produce any order appointing him as Patel. It is unlikely that he could have performed the duties for more than 30 years without a written order. It should be presumed that he has kept back the order as its contents were unfavourable to his case. As no sannad had been issued to him prior to 1903 he must have been appointed

Land (Revenue), dated 7th May 1914.

temporarily. His possession therefore cannot be held to be adverse to the family of hakdars till he was appointed as the permanent Patel in 1903. It should also be noticed that after his death, the respondent cannot be held to have succeeded to his right as the office was not conferred on him as a hereditary one.

Chik Subbrayappa having died last, his douhitra would succeed. His surviving daughters have in a manner given up their right in favour of the appellant.

In any case the daughters cannot be appointed to the office now under the Village Offices Regulation. Their existence therefore does not bar the claim of the appellant.

For the above reasons the Revenue Commissioner's order is reversed and that of the Deputy Commissioner restored.

MEMO NO. R. 8693—L. R. 298-12-6, DATED BANGALORE, 7TH MAY 1914.

Copy of the above is forwarded to the Revenue Commissioner in Mysore together with the records received with his letter No. 6638, dated 10th February 1913.

By Order,
D. M. NARASINGA RAO,
Offg. Secy. to Govt., Gen. & Rev. Depts.

Exd.—C. R.

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

The Report on the Administration of the Revenue Department for the year 1912-13, received with the Revenue Commissioner's letter No. 4890, dated the 30th September 1913.

No. R. 8903-11—L. R. 298-13-3, DATED BANGALORE, 18TH MAY 1914.

ORDER THEREON.—Mr. K. S. Doraswami Iyer continued to be Revenue Commissioner throughout the year under report, except for a short period of 43 days from the 8th April to the 20th May 1913, when he went on privilege leave and Mr. Ananda Rao Sirsi, First Assistant to the Revenue Commissioner, was in charge of the Revenue Commissioner's office.

2. *District Administration reports (para 2).*—The Deputy Commissioners are reported to have submitted their reports within the prescribed time. There was also considerable improvement in the quality of these reports. The Revenue Commissioner has not made any reference to the receipt of the reports of Assistant Commissioners, nor has he assigned any reason for the omission. The Revenue Commissioner is requested to state separately the reason of this omission.

3. *Season and Agriculture (paras 7 to 19).*—The year under report was on the whole a prosperous one from an agricultural point of view. The rainfall was abundant and timely and in a few places even excessive. The average rainfall for the State during the year amounted to 46·08 inches which was in excess of the average of the previous year by 12·86 inches and that of the past 31 years by 7·72 inches. Some of the wells and *kalapariges* in the Tumkur District which had dried up long ago came into action during the year. On account of the favourable rainfall there was increased demand for agricultural land, which resulted in an appreciable rise both in the area under occupation and the net area cropped. An extent of 84,403 acres was taken up for cultivation during the year, and deducting the relinquishments therefrom there was a net increase of 66,927 acres assessed at Rs. 44,131 in the area under occupation. The area cropped amounted to 6,318,961 acres which exceeds by about 122,500 the figures for 1903-04, the highest till then on record. The average yield of paddy and ragi during the year was 10·7 and 10·4 annas respectively as against 9·5 and 7·4 annas during the previous year. It is noteworthy that in spite of the increased outturn of these crops, their prices rose about 18 and 7 per cent, the average rates quoted being 6·62 seers and 15·31 seers per rupee, respectively, as against 7·85 and 16·40 seers in the previous year. The improvement in the coffee industry was maintained during the year as the result of a good harvest combined with high prices. There was a marked expansion in the cultivation of cotton, the area under which in the Chitaldrug District to which the crop was chiefly confined having risen from 78,688 to 131,077 acres or by nearly 65 per cent. The local varieties of the crop are being replaced to a certain extent by Broach and Cambodia cotton. The *supari* crop yielded a good harvest and realized record prices during the year.

4. *Kheddas (para 1).*—With a view to check the depredations of the wild elephants which were committing great damage to crops in the Shimoga District, Khedda operations were started under the supervision of the Deputy Commissioner of the District assisted by the District Forest Officer and his staff. Twenty-four elephants were captured, of which 18 were sold for Rs. 27,575 and the operations resulted in a net profit of Rs. 13,900.

5. *Darkhasts (para 45).*—Out of 20,427 darkhasts which came up for disposal during the year (inclusive of 8,252 cases of the previous year) 11,376 or about 55·69 per cent were disposed of, leaving 9,051 pending at the close of the year. It is noticed that in spite of the deputation of two special measurers to the Bangalore District, there has been no reduction in the large number of darkhasts pending in that district. As remarked by the Revenue Commissioner, the large arrears pending in all the districts indicate that this important work does not receive sufficient attention at the hands of the Revenue Officers. The Revenue Commissioner will doubtless take suitable measures for effecting an improvement in this respect and bringing about the speedy disposal of the pending cases in the current year.

6. *Eksal darkhasts.*—There was some increase in the area of lands granted on *eksal* tenure (temporary cultivation for a year), about 600 acres of assessed land being thus given out during the year as against 200 acres during the previous year. In addition to this, 735 acres of *gomal* land were given out temporarily for gram cultivation in the districts of Kolar, Tumkur, and Mysore. There is much scope for improvement in the arrangements for granting lands for temporary cultivation.

7. *Jamabandi (para 21).*—In reviewing the Revenue Administration Report for 1911-12, Government had occasion to comment on the perfunctory manner in which the Jamabandi work of certain taluks was done by the Revenue Officers. The present report shows that generally in all districts, expect Shimoga and Kadur, the Jamabandi was completed before the *Kistbandi.* The work was hurried through in the taluks of Tirthahalli and Honnali by the Deputy Commissioner of Shimoga who had kept five taluks for settlement by himself. The Revenue Commissioner is requested to issue necessary instructions to the Deputy Commissioners to devote more attention to this matter so as to ensure that the Jamabandi settlement of every taluk is carried out in a more thorough manner and completed invariably in proper time. Government notice with regret that the Deputy Commissioner of the Hassan District has again failed to send up his Jamabandi reports for the year under review. The report should now be obtained and forwarded to Government.

8. *Revenue demand and collection (paras 22 and 23).*—The net recoverable demand for the year was Rs. 1,18,10,466 on account of Land Revenue and Rs. 3,42,777 on account of Mohatarfa. The collections were Rs. 1,04,81,250 and Rs. 2,71,327 respectively, representing 88·74 and 79·27 per pent as against 89 and 79 per cent in the previous year. The fall in the percentage of collections under Land Revenue is due to the unsatisfactory collections in the Mysore and Hassan Districts, where prevalence of cholera during kistbandi season is stated to have considerably impeded collection work. The arrears at the end of the year amounted to Rs. 13,29,251 under Land Revenue and Rs. 71,450 under Mohatarfa.

9. *Coercive processes (para 28).*—There was a decrease both in the number of processes issued and the amount recovered by these means during the year. The total number of processes was 75,895 as against 80,583 of the previous year and the revenue recovered Rs. 10,12,712 or 9·66 per cent of the total collections as against 14·8 per cent of the previous year. More than four-fifths of this amount was realized by the mere issue of demand notices showing that the prevailing high prices enabled the raiyat to pay up his dues without any great strain on his resources. The amount realized by sales was Rs. 43,860.

10. *Estates under Government management (para 29).*—There were 169 Inam villages under the management of Government during the year—61 taken up on account of arrears of jodi or of loan granted by Government, 13 managed on behalf of the Palace and 95 belonging to Muzrai institutions. Out of a total demand of Rs. 3,57,440 in respect of these villages the actual realisations amounted to only Rs. 1,50,869 or 42 per cent, leaving a large unrealized balance of about 2 lakhs at the end of the year. These results are not considered satisfactory. Government expect the Revenue Officers to devote greater attention to their management and to the collection of arrears in the current year.

11. *Restoration and maintenance of major and minor tanks (para 30).*—The number of major tanks restored or repaired was 410 as against 414 in the previous year, while the amount spent on them was Rs. 2,59,378 as against Rs. 2,46,158 in the previous year. The number of minor tanks dealt with was 393 at a cost of Rs. 65,866 as against 973 at a cost of Rs. 82,137 in the previous year. The total value of earthwork done by the raiyats on major and minor tanks amounted to Rs. 61,323 and Rs. 74,187, respectively, as against Rs. 51,295 and Rs. 86,116 in the previous year. The above figures show that the restoration and improvement of tanks that play a most important part in the well-being and prosperity of the raiyat have not received adequate attention.

12. *Land improvement loans and takavi advances (paras 32 to 35).*—Out of Rs. 90,000 sanctioned by Government for granting Land Improvement Loans and Takavi advances during the year, only Rs. 43,300 were utilized for the grant of

Land Revenue, dated 18th May 1914.

loans in 329 cases chiefly in the Kolar, Tumkur and Bangalore Districts. Out of this amount Rs. 23,930 were granted as takavi advances and Rs. 19,450 for miscellaneous improvements to lands including construction of irrigation wells. The total number of applications to be dealt with during the year was 1,192, of which 737 (including 408 rejected or withdrawn) were disposed of, leaving 455 applications for loans aggregating Rs. 1,16,795 pending at the close of the year. The heaviest lapses have occurred in the Mysore and Hassan Districts in the latter of which not a single case of loan was sanctioned during the year though 7 applications for loans for Rs 4,800 were pending disposal at the end of the year. The large lapses in these as well as other districts show that the work accomplished admits of considerable improvement. Greater promptitude is necessary in the disposal of applications for loans so that the raiyats might fully avail themselves of the facilities afforded by Government. The rules for the grant of land improvement and takavi advances have recently been amended so as to exclude loans for purchase of power plants from the operation of these rules and a new set of rules for regulating the grant of loans through the Director of Industries and Commerce for the purchase of agricultural power-machinery and for industrial and commercial purposes has been issued with a view to stimulate the growth of industrial concerns.

13. *Inspection of boundary marks (para 49).*—A systematic inspection of boundary marks was attempted only in the taluks of the Shimoga District and in certain taluks of the Bangalore and Mysore Districts. The Revenue Commissioner reports that he will submit proposals for modifying the existing rules as there are many practical difficulties in the way of deputing taluk officials for test inspection. The frontier boundary marks were not inspected in the Kadur District. Those in the other districts were inspected by the Amildars and Sub-Division Officers and found to be in a satisfactory condition.

14. *Avenue trees and village roads (paras 51 to 53).*—The condition of the avenue trees in all the districts is stated to be good and the planting of the new trees to have been regularly attended to. The village roads are also maintained in a proper condition and fair progress was made in opening out new village tracks in the Mysore, Hassan, Kadur and Shimoga Districts.

15. *Mojini classes for village officers (para 61).*—These classes were held only in the districts of Kolar, Mysore and Chitaldrug during the year, the number of village officers trained in them being 19, 15 and 37, respectively. The other Deputy Commissioners should make arrangements for opening similar schools in their districts and to induce as many of the village officers as possible to get themselves trained in the schools.

16. *Inspection of Treasuries (para 44).*—The inspection of Taluk Treasuries was fairly satisfactory. The Deputy Commissioners inspected their respective District Treasuries as per standing orders. The Revenue Commissioner inspected the District Treasuries at Bangalore, Kolar, Mysore and Chitaldrug and also 11 Taluk Treasuries in the said districts.

17. *Itineration of Deputy and Assistant Commissioners (paras 66 and 67).*—The Deputy Commissioners of Bangalore, Mysore, Hassan and Shimoga Districts have not camped out the prescribed minimum number of days. The Deputy Commissioner of Bangalore (Mr. B. J. Kumaraswami Naik) has camped out the least number of days, *viz.*, 60, which includes 26 days spent by him outside the district. With the exception of the Assistant Commissioner in charge of the Kadur Sub-Division, who camped out 204 days, none of the Assistant Commissioners have toured even for the requisite minimum number of days prescribed in their case. There seems also to be an increasing tendency on the part of the Deputy Commissioners and Assistant Commissioners to confine their inspection to roadside stations. The Revenue Commissioner is requested to take steps to remedy these defects in the current year.

18. Other similar defects in the work of the Revenue Officers were pointed out in paragraph 19 of the Government Review of the Administration Report for 1911-12. The Revenue Commissioner has not stated what steps he has taken to remedy matters. He is requested to furnish a separate report for the information of

Government as to what special measures he proposes to adopt to improve the work of the department in the directions referred to.

19. The Administration of the Department during the year under review has, on the whole, been satisfactory.

Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Revenue Commissioner in Mysore.
The Deputy Commissioners of Districts.

Exd.—C. R.

Proceedings of the Government of His Highness the Maharaja of Mysore, Land Revenue, dated 30th May 1914.

READ—

The following summary of discussion on Subject No. 137 of the Proceedings of the Representative Assembly of 1912 in regard to the noting of the names of "hissedars" of a holding and the payers of land revenue, in the khate.

SUBJECT No. 137.
The names of *hissedars* and co-sharers to be noted in the *khate*.
Messrs. N. D. Narainappa, Hassan Municipality, M. Venkatramaiya, J. Surappa and Narasimhegowda, Channarayapatna Taluk.

Summary of discussion.—The patta stands in the name of one person, while there are several *hissedars* enjoying portions of lands and paying kandayam thereon. When one of the *hissedars* becomes a defaulter the *pattadar* may not be aware of this. The lands may have to be sold for recovery of the arrears resulting in unnecessary trouble to the *khatedar* and the other *hissedars*. It is prayed that orders may be issued for noting in the *khate* the particulars of kandayam recoverable from each of the *hissedars* so as to avoid trouble. Similar entries may also be shown in the *patta* issued to the *khatedar*. In order to make extracts of *khates* useful to *hissedars*, a separate head may be prescribed in *khate* showing the amount paid by each *hissedar*.

Reply of Government.—The name of the payer will be shewn also in the *khate*.

No. R. 9244-53—L. R. 621-12-2, DATED BANGALORE, 30TH MAY 1914.

ORDER THEREON.—Government observe that it is not possible to apportion the assessment of the holding among its several "hissedars." Under Government Order No. 2619-28—L. R. 270-12-1, dated the 14th November 1912, "hissedars" can, under certain conditions, have their shares constituted into recognised shares of survey numbers and thus safeguard their interests in the land.

2. As regards noting in the khate the name of the payer of kandayam, Government on further consideration are of opinion that as the payer's name is entered in the khirdi there is no necessity to have the entry made also in the khate, inasmuch as there is no particular advantage accruing thereby to the parties concerned.

3. The Deputy Commissioner of the Hassan District is requested to communicate the substance of this order to the members concerned.

D. M. NARASINGA RAO,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Revenue Commissioner in Mysore.
The Deputy Commissioners of Districts.
The Superintendent of Revenue Survey and Settlement in Mysore.

Proceedings of the Government of His Highness the Maharaja of Mysore,

READ—

Letter No. 1371, dated 23rd April 1914, from the Secretary to the Mysore Economic Conference, submitting for the information of Government a * report of the result of the first experiment in sericulture carried out by Signor Mari, Silk Expert in Mysore, in the Farm at Channapatna.

* Printed as accompaniment.

No. R. 9022-34—AGRI. 41-13-19, DATED BANGALORE, 23RD MAY 1914.

ORDER THEREON.—Recorded.

C. S. BALASUNDARAM IYER,
Secy. to Govt., Depts. of Edn. & Agriculture.

To—The Secretary, Mysore Economic Conference.
The Revenue Commissioner in Mysore.
The Director of Agriculture in Mysore.
The Director of Industries and Commerce.
The Deputy Commissioners of Districts.
The Secretary, Agricultural Committee of the Economic Conference.

ACCOMPANIMENT.

Special report of the first experiment carried out in the Farm at Channapatna from the 1st March up to the 10th April 1914.

Before I ask the Government to spend more money on changing the present system of rearing the silkworms in the State, I request the Government to see the advantages derived by the Italian system which I mean introducing in this country.

2. Having this object in view I agreed to come here to carry on an experiment in this place.

3. Though the building which was shown to me by Mr. Abdul Quddus was quite unfit for my purposes I made some alterations in the building to enable me to conduct the experiments with the smallest means.

4.

5. After disinfecting the rearing rooms and the old unfit trays which were purchased, for the new trays were very costly, I had a stand constructed after the Italian fashion by an unskilful carpenter as skilful carpenters were not found here.

6. In the beginning I was obliged to place the larve for many days in the room meant for keeping the leaves with much inconvenience.

7. The disinfection was not very effective as the roof and windows were not proof against the sun and wind and above all the insects and rats came from the roof and devoured many of the worms little by little.

8. *Cocoons.*—On the 12th February 1914, I got thousand Mysore seed cocoons from Maddur and I selected 100 for seeds.

9. *Emerging of the moths and pairing.*—The moths began to emerge from the 19th to 21st February 1914, and on the whole I had 29 layings.

10. *The Microscopical Examination of the moths.*—The moths were microscopically examined on the 23rd and 24th instant and I showed and explained the method of examining them to Messrs. Gopalakrishnan, Appadorai Mudaliar and Lakshman Rao.

In my examination I found two of them pebrinised and the corpuscals were also shown to them and then the layings of those moths were destroyed.

11. *Hatching.*—The eggs were hatched without any special precaution on the 1st and 3rd instant.

12. *Italian seeds.*—About the middle of February my brothers sent eleven varieties of silk worm eggs from the "Istituto Bacologica E. Mari" our farm at Ascoli Piceno Italy to Dr. Gorio at Bombay. He sent them through Mr. Rodriguez in an ice box maintaining a low temperature of 73F.

It was not possible for me to maintain an uniform temperature in the hatching room in spite of the excogitated artifice taken by me, as the temperature varied from 73F to 85F in a day.

Owing to the extremes of temperature the larve suffered much during the hatching.

Revenue (Agriculture), dated 23rd May 1914

All the eleven varieties of the Italian seeds hatched in the following order:—

9th March 1914	Giapponese Bianco..
10th March 1914	Chinese Giallo-Oro.
Do	Brianza Mari.
Do	Poligiallo.
11th March 1914	Pirenei.
Do	Giallo Sferico (indigeno).
Do	Istria.
Do	Fossombrone.
Do	Gransasso.

13. *Rearing.*—In rearing I have adopted quite a new process the basis of which being to respect the Hygenic principles which are necessary for all the living beings.

14. *Spacing, feeding and changing of beds.*—The space given by the local rearers to the caterpillars in all the stages is quite insufficient. They require at least three or four times the space that is given at present.

15. The students and the visitors were practically shown the advantages derived by giving more space to the worms in all the stages.

16. The worms thus reared were very healthy with a luxuriant growth and the cocoons spun by them were of an equal size, firm, and appreciably big.

17. In feeding the worms the quality and quantity of leaves and the manner of chopping them were regulated according to circumstances. These I have shown and explained to the students.

18. As the perforated papers were not received from Italy we were obliged to change the beds every day by the hand with damage to the worms and loss of much time.

19. *Moultings temperature and humidity.*—During the moulting periods the chief thing to observe is to have as thin a bed and as constant a temperature as possible. To indicate the temperature and humidity I had a thermometer and a hygrometer in the rearing room.

20. *Spinning of cocoons.*—To facilitate the selection between the riped and unriped worms we had placed as in Europe twigs in the feeding trays. All the worms crawled up voluntarily and found a convenient place to spin the cocoons.

The above operation was not so useful in the case of the indigenous worms as they were not so strong and active like the European worms.

21. There was also much difficulty in procuring good leaves as there was no garden of our own.

22. In this painful work I was helped by the intelligent eagerness of the Senior Inspectors V. M. Appadorai Mudaliar and M. H. Lakshman Rao, who were in charge of the rearing rooms both day and night alternately. They are very willing in the performance of their duties and must be encouraged.

I must also mention the diligence of the Assistant Inspectors.

1. M. S. Muthanna.
2. S. Narasinga Rao.
3. K. P. Ramiah.
4. Syed Yahia.

And among the students :—

1. M. Krishniah.
2. Sibagattula Sherif.

23. *Conclusion.*—With the application of the Italian system explained above we have obtained a very successful result in the experiments not only with the Mysore worms but also with all the Italian races which are not accustomed to such a hard temperature.

24. The success of the Italian breeds mainly contributes to the superiority of the seeds that we received in a season which was quite unfit for the transportation, hatching, and rearing of the European breeds.

25. The splendid result of the Monovoltine European races open the hope for the substitution of a stronger and a better race in place of the present Polivotine of Mysore which is weak and poor in silk. And I am quite sure that the interests and efforts of the Government in promoting Sericulture in Mysore would in a short time be crowned with success with a real benefit to the agriculturist and the Government.

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

Government Order No. R. 1261-73—Agri. 133-12-2, dated 9th August 1913, sanctioning the continuance of the Implement Depot maintained by the Agricultural Department for a further period of ten years, and calling on the Director of Agriculture to submit a scheme so as to make the Depot more useful to the raiyats.

2. Letter * No. 556, dated 15th August 1913, from the Director of Agriculture in Mysore, submitting the following suggestions for the consideration of Government:—

* Printed as accompaniment.

(1) Giving practical instructions to the raiyats in the use of implements.

(2) Establishment of village agencies for stocking spare parts of implements.

(3) Sale of implements on the instalment system, which will necessitate either the raising of the permanent advance for the depot to Rs. 15,000, or the placing of a sum of Rs. 10,000 annually at the disposal of the Department for the purchase of implements, the sale proceeds being credited to the Treasury direct.

3. Extract (relating to the Implement Depot) from letter No. 1200, dated the 1st November 1913, from the same officer, proposing a recurring allotment of Rs. 10,000, to allow for sales of agricultural implements on the Hire-purchase System and the entertainment of the marginally noted establishment for conducting the depot.

1 Accountant on Rs. 30 per mensem.
2 Fitters on Rs. 20 per mensem each.
2 Peons on Rs. 7 per mensem each.

4. Letter No. 2464, dated the 14th March 1914, from the same officer on the same subject.

No. R. 9184-96—Agri. 34-13-4, dated Bangalore, 29th May 1914.

Order thereon.—Government are pleased to sanction the increase from Rs. 5,000 to Rs. 15,000, of the permanent advance held by the Director of Agriculture on account of the Implement Depot.

2. The temporary entertainment of two fitters on Rs. 20 per mensem each and of two peons on Rs. 7 per mensem each for a period of one year is also sanctioned. Government consider that the separate accountant asked for by the Director of Agriculture is not necessary and that the revised establishment in Government Order No. R. 6695-743—Agri. 107-12-13, dated the 24th February 1914, should be able to attend to the depot work also.

3. In regard to sales of implements on the instalment system, special rules regulating the procedure are necessary. The question is engaging attention and orders thereon will issue separately.

4. The other suggestions for improving the working of the Implement Depot may be carried out as the work of the Department develops.

Exd.—C. R.

Proceedings of the Government of His Highness the Maharaja of Mysore,

ACCOMPANIMENT.

Letter No. 556, dated Bangalore, 15th August 1913, from Leslie C. Coleman, Esq., M.A., PH.D., Director of Agriculture in Mysore, Bangalore, to the Secretary to the Government of His Highness the Maharaja of Mysore, Departments of Agriculture, etc., Bangalore.

I have the honour to acknowledge receipt of Government Order No. 1261-73—Agri. 133-12-2 of the 9th instant. In connection therewith, I have the honor to state that apparently the use of the word "commission" on page 4 of my report has led to the statement in the second para of the order. As a matter of fact, no implements are received to be sold on commission, all being purchased outright. The use of the term "commission" in the report was an unfortunate one, leading, as it has, to this misunderstanding. With regard to the use of the word "commission," I have the honour to refer you to the original Order G. O. No. 6055-66—Agri. 62-89-2, dated 8th March 1910.

Arrangement for practical instruction in use of implements.

With regard to the question of popularizing the use of improved implements, I have the honour to point out that I have already proposed, in connection with the establishment of two new Experimental Farms, the opening of Implement Depots in connection with them and utilization of farm labourers in giving practical instruction to raiyats in the use of the implements.

3. I cannot emphasize too strongly the necessity of giving purchasers this practical instruction so as to make sure that they will use improved implements properly and advantageously. Almost invariably, where such instruction has not been given, or where purchasers have not had the advantage of learning from neighbours, who have already received instruction, we find implements being used wrongly or not at all. The result of the former alternative is that the working parts of the implements are soon worn out and the implements are either thrown aside in disgust or are patched up by the village blacksmith in a most unsatisfactory manner.

4. I consider it extremely unwise to make arrangements for the distribution of implements on a large scale through Agricultural Associations, Co-operative Societies, etc., without at the same time, providing this department with the necessary machinery for carrying on the absolutely essential instruction and supervision. I need hardly point out that such bodies however enthusiastic they may be, have not the means of giving this training.

5. The most pressing question in connection with the introduction of improved implements is to ascertain to what extent the implements already sold are in active use and are being used properly. If we take for instance ploughs, between five and six hundred have been sold since the opening of the Implement Depot. Now every one of these ploughs, if it were being used regularly and properly during the ploughing season, should wear out at least three or four shares or spare points for shares in a year. We should, therefore, have sold well over two thousand shares and points within the last three years. As a matter of fact we have sold about one thousand. This means either that a good number of the ploughs, we have sold, are not being regularly used or else that the raiyats are having their implements patched up by the local blacksmiths in a manner which must lead to unsatisfactory work. If I could have, in connection with each of the three proposed Experimental Farms, about fifteen or twenty intelligent ploughmen for use under the superior staff in giving practical instruction in all parts of the State during the ploughing season, I believe this state of affairs could be largely remedied within one year.

Village agencies for stocking of spare parts of implements.

6. The next most pressing need is the establishment of village agencies for the stocking of spare parts, so that they can be readily procurable by the raiyats without having to wait until they can send to Bangalore. Such village agencies should be established after a careful survey on the part of the Department so that we may be sure of getting suitable men living in suitable places. I may say that such village agencies have been developed by the Agricultural Department in the United Provinces and have proved a valuable aid in popularizing the use of improved implements. I believe that an officer of the local Co-operative Society, where such exists, would prove a good man for the conducting of such a village agency and I am writing to the Registrar of Co-operative Societies for his opinion on the matter. Such village agencies should, of course, at the same time, stock some of the more popular forms of improved implements.

7. I am, at present, having a combined statement prepared showing exactly where the ploughs that the Department has sold since the organization of the Implement Depot, are placed and this will form a basis for inspection work and for the formation of village agencies. A good deal of inspection work has already been done and I propose utilizing the present staff as fully as possible, consistent with carrying on other important demonstration work, in completing this inspection. Unfortunately such work to be really satisfactory must

be concentrated in the ploughing season and this makes the training of an adequate subordinate staff all the more necessary.

Sale of implements on instalment system.

8. With regard to the question of granting "takkavi" loans, I have the honour to point out that such loans will hardly meet the need in the case of the purchase of comparatively cheap implements such as ploughs as even under the most favorable circumstances, a certain amount of delay will occur, and it is doubtful whether raiyats will care to go to the trouble of applying for loans where such small sums are concerned. In my opinion a better arrangement would be to sell the implements on the partial payment system, spreading the payments over one, two or three years according to circumstances and the cost of the implement. I have had many requests for implements on the easy payment plan but have always had to refuse them because the Implement Depot is being financed from a small permanent advance and not from a regular budget allotment.

9. As the depot can now be said to have passed the experimental stage, it is a question for Government to consider whether it would be advisable to introduce the sale of implements on the instalment plan as I have suggested. In case Government believe this to be advisable, it will be necessary either to increase the permanent advance to say Rs. 15,000 or to place a sum of Rs. 10,000 annually at the disposal of the Department for the purchase of implements, the proceeds of sales to be paid into the Treasury in the usual way.

10. With regard to the question of the fitting up of implements locally, I have the honour to point out that this is a matter which requires a good deal of special knowledge. The Superintendent of the Kolar Mission Industrial Institution where most of the ploughs now being sold, are set up, is a man who has had a good deal of agricultural experience in America and in addition is a graduate in Mechanical Engineering of an American University. It is doubtful whether many other institutions could be found in Mysore where the supervising Officer is well qualified for this kind of work. However if the appointment of an Agricultural Engineer on the cadre of the Agricultural Department is sanctioned by Government such an officer will be able to investigate the possibilities in this regard. With regard to ploughs, I have the honour to point out that a cheaper line of ploughs will be on sale within a few months, which can be landed in India complete at such a low rate as compared with the costs of the bottoms alone that it appears very doubtful if the ploughs could be set up as cheaply here by simply importing the bottoms.

11. In conclusion I have the honour once more to emphasize that the effort to introduce improved implements into general use in the State must depend to a very great extent for its success on the establishment and training of an efficient and adequate staff for demonstration work. If the Government can see their way clear to the sanctioning of my proposals *re* cadre and *re* the establishment of Experimental Farms, I feel sure that the work will progress both soundly and rapidly.

12. Pursuant to the desire expressed in the Order, I am sending a copy of this letter to the Agricultural Committee of the Economic Conference for opinion.

Proceedings of the Government of His Highness the Maharaja of Mysore, Revenue (Forest), dated 12th May 1914.

READ AGAIN—

Government Order No. 1513-22—Cir. 26, dated 27th May 1890, issuing certain instructions of the sale of elephant tusks received at Government Treasuries.

2. Letter No. 8145, dated the 4th February 1914, from the Conservator of Forests in Mysore, suggesting the desirability of selling all the tusks at Bangalore.

No. R. 8791-803—FT. 100-13-6, DATED BANGALORE, 12TH MAY 1914.

ORDER THEREON.—In supersession of the previous orders on the subject Government are pleased to lay down the following instructions for the sale of elephant tusks collected in Government Treasuries in the State.

1. All elephant tusks received in the District Treasuries in the State should be sent to the District Treasury at Bangalore once in every six months, *i. e.*, in the months of March and September.

2. All such tusks collected in the Bangalore District Treasury should be sold by public auction by the District Treasury Officer, Bangalore, or such other Assistant Commissioner as may be deputed by the Deputy Commissioner, Bangalore District, for the purpose, once every year, in convenient lots made in accordance with instructions issued by the Conservator of Forests from time to time.

3. The exact date of the sale should be fixed in consultation with the Conservator of Forests so as to fit in with the annual auction sales of Sandalwood in Bangalore.

4. The terms and conditions of sale will be generally the same as those for the sale of sandalwood.

5. A tusk or a portion of a tusk may also be sold in retail between any two auctions, with the approval of Government, at the highest rate secured at the last previous auction sale.

NOTIFICATION.

No. R. 8626—Ft. 95-13-5, dated Bangalore, 4th May 1914.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900) that, from the 1st June 1914, the area, the boundaries of which are set forth in the schedule annexed to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof:—

District	Taluk, hobli and village	Approximate area	Name of the block	
Bangalore	Kankanhalli Taluk, Ooyamballi hobli 1. Purushagondanahalli 2. Harosevanahalli 3. Bennegodu	1·60 squire miles	Chunchi West	*Situation.*—A tract of jungle in the south of the Kankanhalli Taluk, situated between the Chillandvadi State Forest and the Arkavati river. *Boundaries.* *North.*—Starting from the south-west corner of survey No. 51 of Purushagondanahalli, the line runs east along the south sides of survey Nos. 51 and 52 and through survey No. 17 of the same village for about 32 chains till it meets the Arkavati river.

* Printed as accompaniment.

Proceedings of the Government of His Highness the Maharaja of Mysore,

East.—Thence along the right bank of the Arkavati river as far as the Chillandvadi State Forest boundary at the south-east corner of the Bennegodu village.

South.—Thence it follows the southern boundary of the Bennegodu village for a distance of about 90 chains to a point about 14 chains south-east from the south-east corner of survey No. 13 of the same village.

West.—Thence north straight through survey No. 12 of Bennegodu for a distance of about 26 chains to a point on the Adikehalla about 10 chains north-east from the north-east corner of survey No. 14 of Bennegodu; then north-west along the left bank of the said Adikehalla through survey No. 12 of the same village to a point about 5 chains north from the north-west corner of survey No. 9 of the said village; then due north for about 2 chains through survey No. 12 of the same village so as to meet the southern boundary of the Harosivánahalli village; then through survey No. 31 of the same village in a north-westerly direction for a distance of about 26 chains to a point about 5 chains east from the south-east corner of survey No. 100; then north for about 14 chains to a point about 5 chains east from the north-east corner of the last named survey number; then north-west for about 10 chains to a point about 5 chains east from the north-east corner of survey No. 89; and then north-east for about 34 chains to the starting point.

Remarks.

A. The following rights of way are admitted within the block throughout the year.

(i) Cart-track 15 feet wide and about 9 chains long from Purushagondanahalli to survey No. 56 (treated as an enclosure) for men and cattle and carts.

It enters the forest in its northern boundary at a point about 4 chains east from the south-east corner of survey No. 51 of Purushagondanahalli, runs through survey No. 55 (treated as an enclosure) and through survey No. 17 meeting the south-west corner of survey No. 56 of the said village.

(ii) Cart-track 15 feet wide and about 11 chains long for men, cattle and carts, leading from survey No. 14 of Bennegodu to Adikehalla. It enters the forest in its western boundary at a point about 10 chains south-east from the north-east corner of survey No. 14 of Bennegodu, goes east to the Adikehalla in survey No. 12 of the said village.

B. The following concessions are allowed within the block:—

(i) Survey Nos. 53, 54, 55 and 56 of the Purushagondanahalli village are formed into a block and treated as an enclosure within the reserve.

(ii) The cattle of Bennegodu (127), Harosivanahalli (354), and Purushagondanahalli (18) villages are allowed to graze free in the State Forest during the prescribed season.

By Order,
D. M. NARASINGA RAO,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Compiler, *Mysore Gazette.*

Letter No. 7311-13, dated 4th December 1913, from the Revenue Commissioner in Mysore, to the Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Departments.

I have the honor to forward herewith for the orders of Government the marginally noted papers relating to the conclusion of the settlement of the Chunchi West Block in the Kankanhalli Taluk, Bangalore District, received with letter No. 63, dated 22nd August 1913, from the Forest Settlement Officer in Mysore.

1. Letter No. 63, dated 22nd August 1913 from the Forest Settlement Officer with its six enclosures.
2. Letter No. 108, dated 30th September 1912, from the Forest Settlement Officer with its six enclosures.
3. Boundary Notification.
4. Register of lands taken up.
5. Regiser of claims.
6. Tracing of the block.
7. Topo tracing.

2. The tract in question is situated between the Chillandvadi State Forest and the Arkavati river and extends over an area of 1,027 acres or 1·60 square miles. It comprises 275 acres of kharab and 752 acres of gomal land belonging to three villages.

3. Adequate provision has been made for the grazing and other needs of the villagers concerned.

Revenue (Forest), dated 4th May 1914.

4. Five claims were preferred before the Forest Settlement Officer and four of them were admitted. The District Forest Officer preferred an appeal to the Deputy Commissioner against the decision of the Forest Settlement Officer in respect of certain concessions granted to the raiyats. The Deputy Commissioner's order on appeal and the connected papers are herewith forwarded for reference and return when no longer required.

5. The Deputy Commissioner has recorded no objection to the reservation in question and the final notification may therefore issue.

ENCLOSURE.

Letter No. 106, dated 30th September 1912, from the Forest Settlement Officer in Mysore, to the Revenue Commissioner in Mysore, through the Deputy Commissioner, Bangalore District.

I have the honor to report on the conclusion of the settlement of the Chunchi West Block in the Kankanhalli Taluk of the Bangalore District.

2. The initial notification under Section 4 of the Mysore Forest Regulation, proposing to constitute the area into a State Forest, was published on page 211 of the English issue of the *Mysore Gazette*, dated 14th April 1910, and the proclamation under Section 5 of the said Regulation was issued by me and the same appeared on pages 408 and 409 of the *Kanarese Gazette*, Part II, dated the 26th May 1910.

The proclamatory notices were got served on the villagers concerned through the Amildar of the Kankanhalli Taluk.

3. I perambulated and inspected the tract in question in company with the Amildar and the Range officer on the 30th November 1910.

4. The undermentioned 5 claims were preferred to me during my enquiry:—

(*i*) Two claims to right of way

(*ii*) Three claims to miscellaneous rights

Both the claims in (*i*) were admitted.

Of the 3 claims in (*ii*) two were admitted, and in the case of the third all the subdivisions made out of S. 17 of Purushagondanahalli, which had been applied for, for cultivation were excluded from the reserve.

5. The Deputy Commissioner has intimated in his docket No. 377-39—R., dated 14—17th August 1912, his order on the appeal preferred by the District Forest Officer against my settlement decision, and the same has been noted in the prescribed column of the 'B' Register.

6. The following records are herewith submitted:—

(1) 'B' Register.
(2) 'C' Register.
(3) Sketch map.
(4) Boundary notification.
(5) Topo-tracing

7. The date from which the reservation is to take effect may be inserted in the draft boundary notification.

B.—Register of claims to lands, right to forest produce or easements in the proposed Chunchi West State Forest.

No.	Names of claimants	Date of presentation of claims	Nature and extent of claims preferred	Brief summary of the evidence adduced in support of claims	Brief summary of the Forest Officer's arguments and evidence produced by him	Brief abstract of decision and final disposal of the claims by the Forest Settlement Officer	Brief abstract of decision, if any, of Court of final appeal and settlement	Remarks
1	2	3	4	5	6	7	8	9
1	Sivanegowda, patel of Harosivanahalli, on behalf of the raiyats.	1st Dec, 1910	States that if it is decided to include in the reserve the lands proposed out of his village, half the area may be left for the use of the raiyats.	.... .		The village of Harosivanhalli has a population of 281 inhabitants with 354 head of horned cattle. According to the prescribed rule, an extent of about 105 acres has to be left for their grazing. The area of gomal land assigned to the village is 610 acres 11 guntas, out of this, 558 acres 12 guntas have been proposed to be included in the reserve. There will then remain about 52 acres of gomal land which is quite insufficient for grazing. Dharkhasts for an extent of 106 acres have already been received and it is evident from the report received from the Taluk Amildar, after carefully ascertaining the wants of the villagers, that there is a great demand for land for purposes of cultivation. In view of possible agricultural expansion, some area must be set apart for cultivation out of the area proposed to be included in the reserve in question. No doubt, some 100 acres of land treated as kharab is also available for the use of the raiyats. But there is no certainity that the entire extent of 160 acres would be fit for cultivation. Taking all these circumstances into consideration, I decide that about 70 acres of gomal land out of the extent proposed, be excluded from the reserve, and that the cattle of this village (354) allowed to graze free in it, during the prescribed season. C. VENKATA RAO, Forest Settlement Officer. 1st December 1910.	I hold that the Forest Settlement Officer's decision that 70 acres should be excluded from the proposed reserve is reasonable and correct. B. J. KUMARASWAMI NAIK, Deputy Commissioner, Bangalore District.	
	Gurusantappa, patel, of Bennagode, on behalf of the raiyats.	30th Nov. 1910	Represents that none of the darkhastdars including himself, are in favour of including any lands of his village, in the reserve.	.....	.....	According to the Khaneshmari accounts, Bennagode has 18 houses with a live-stock of 185, out of which 127 are horned cattle. The	The village of Bennagode has 185 head of cattle with a gomal	

Revenue (Forest), dated 4th May 1914.

extent of gomal land available for the village cattle is 419 acres and 38 guntas minus an extent of 25 acres and 20 guntas, which has already been given out for cultivation. Thus, at present, it has only 424 acres and 18 guntas of gomal land. If out of this extent the entire area of 355 acres and 16 guntas of gomal land be included in the forest proposed to be constituted, there would then remain an extent of 69 acres and 2 guntas, available for the grazing of 127 head of cattle. No doubt, if the rule of 30 acres for every 100 head of cattle be rigidly applied in this case, the area proposed to be left is just sufficient for the present live-stock of the village, hardly leaving any margin for the use of any increase in the village cattle in future. Besides, on the application of the village raiyats about 150 acres of land has been ordered to be given out for cultivation out of the village gomal land and dharkasts for another 175 acres of land, it is ascertained, have been made to the Taluk Amildar for agricultural purposes. It is therefore necessary that in view of future agricultural expansion some provision must be made in arriving at a decision regarding what area of lands of Bennagode should be included. Another objection advanced by the raiyats of Bennagode is that the preliminary demarcation line runs at the edge of their fields. This objection has also to be considered in deciding the question of the reservation so far as it concerns the village. I would accordingly shift the demarcation line farther away from the cultivated area, so as to exclude an extent of 78 acres out of the proposed area of 355 acres, 16 guntas thus leaving about 147 acres for the use of the villagers. As about 150 acres of land have been ordered to be granted to the raiyats for cultivation purposes, the necessity for providing for the grazing of cattle becomes supreme. In view of this contingency, I decide that the cattle of Bennagode (127) be allowed to graze free, in the reserve in question during the prescribed season.

C. VENKATA RAO,
Forest Settlement Officer.

1st December 1910.

of 424 acres and 18 guntas. If out of this, the proposed extent of 355 acres 16 guntas be taken away there will remain only 69 acres and 2 guntas and it can by no means be contented that this extent is a liberal provision for the future expansion of the agricultural requirements of the villagers, especially, when over 300 acres out of the gomal area in this village, have been applied for already for cultivation. Besides, as the Forest Settlement Officer observes, the demarcation line runs too close to the occupied lands and if it is not shifted farther it will surely be an incessant source of trouble and annoyance to the villagers.

Under these circumstances, I find that the Forest Settlement Officer's decision that the demarcation line should be put off a little farther at two places is reasonable. This step will only exclude 78 acres from the proposed reserve, and leave 147 acres of gomal land to the villagers.

B. J. KUMARASWAMI NAIK,
Deputy Commissioner,
Bangalore District.

1	2	3	4	5	6	7	8	9
8	Sivanigowda, a leading raiyat of Purushagondanahalli, on behalf of the villagers.	1st Dec. 1910	States that some lands may be excluded for grazing purposes as the cattle of the Nallaballi village also graze in his village gomal lands and that the lands for which some darkhasts have been made by the raiyats may not be included in the reserve.	.....	.....	This vilage is almost a bechirak village with four Lambani huts having a population of 23 persons and 30 head of cattle. All the culturable area has already been brought under cultivation with the result that there is no assessed waste remaining for future applicants for lands. Two dharkhasts for about 200 acres, it is ascertained, have been sanctioned. A portion of this extent has already been sub-divided into survey Nos 50, 51, 52, 53, 54, 55 and 56 and these are situated between the Arkavati river and the Harosivanahalli boundary adjoining the cultivated plot comprising survey Nos. 28, 14 and 15. They have already been sold and these sales are awaiting confirmation from the Revenue authorities. It is obvious that there is every indication of expansion of cultivation in this neighbourhood. As a consequence of the diversion and thifting of the demarcation line within the limits of Bennagodu and Harosivanahalli, the demarcation line in Purushagondanahalli has to be shifted by five chains south from the south-east corner of survey No. 99 and made to run straight along the southern boundary of survey Nos. 51 and 52, which have been recently measured out, and then to touch the Arkavati river at a distance of 82 chains from the point of diversion referred to above. But, as this arrangement includes survey Nos. 53, 54, 55 and 56, which as above stated have been sold to the raiyats by the Amildar, they will be treated as enclosures in the event of the sales being confirmed by the Revenue authorities. As the village has no gomal assigned in the survey settlement, there is no necessity to record my finding on this point. The raiyats of this village must make their own arrangements as hitherto, regarding the grazing of their cattle. C. VENKATA RAO, Forest Settlement Officer. 1st December 1910.	The third village affected is Purushagondanahalli, almost a bechirak village: no allotment of gomal land was made probably because there were no raiyats residing in the village at the time of survey settlement. But now, there are 4 Lambani huts with 40 head of cattle. All the available assessed waste lands have been brought under plough. Survey No. 17 measuring 609 acres, 38 guntas is the only unoccupied waste land available in the village as it is proposed to take up 437 acres 32 guntas, out of this for the state forest, leaving the remaining 172 acres 6 guntas as a provision for further occupation. It is found from the records that out of the said survey No. 17, about 200 acres have already been darkhasted for and an extent of 126 acres has been divided and made into survey Nos. 50, 51, 52, 53, 54, 55,	

Revenue (Forest), dated 4th May 1914.

and 56 and sold, though the sales have not yet been confirmed pending the question of the proposed reservation. The Forest Settlement Officer proposes to exclude the survey Nos. 53, 54, 55 and 56 measuring in all 74 acres. I think that this is quite equitable and accordingly decide that it be done. The Forest Settlement Officer states that as the village has no gomal assigned to it, no finding is necessary on the point. But as has been observed already, no provision was made for the grazing of the village cattle probably because at the time of survey and settlement the village happened to be a bachlrak one. As there are already some huts built and people are living in them following agricultural pursuits, I think it is necessary to extend to this village the privilege of grazing their cattle in the state forest free, which concession has been granted to the other two villages and accordingly decide that it may be done.

B. J. KUMARASWAMI NAIK,
Deputy Commissioner,
Bangalore District.

12	Do	L. A. D. 545, dated 13th January 1914.
13	Do	4441—L. A. D. 544, dated 13th January 1914.

No. 11801-15—L. B. 108-13-37, DATED BANGALORE, 23RD MAY 1914.

ORDER THEREON.—*Number of Local Boards.*—The number of District and Taluk Boards in 1912-13 remained the same as in the previous year, *i.e.*, 8 and 77 respectively. During the year, one Union Panchayet was disestablished and two were constituted thus raising the total number to 247.

2. *Kolar Gold Fields Sanitary Board.*—The constitution of the Kolar Gold Fields Sanitary Board was practically the same as in the previous year. Six ordinary meetings and one special meeting were held, the average attendance being 10·4 or about 74 per cent of the total strength of members, *viz.*, 14.

3. *District Boards.*—The total strength of the District Boards was 210 against the sanctioned strength of 212 members and the number of *ex-officio*, elected and nominated members was 60, 76 and 74 respectively. The prescribed number of meetings was held in all cases, and the average attendance was 21 against the average strength of 26·5 members.

4. *Taluk Boards.*—There were 1,140 members on these Boards on the last day of the year against the sanctioned strength of 1,155 members. Of these, 368 were *ex-officio*, 414 were non-officials appointed by the Government and the remaining 358 members were elected by the Municipal Boards and the rural population. The Boards met 6·3 times during the year on the average and held 27 special meetings in all. Thirteen meetings were adjourned for want of a quorum. The average attendance at the meetings was only 8 out of the sanctioned strength of 15 members for each Board. The attendance of official members was very poor in Bangalore, Devanhalli, Dodballapur, Tumkur, Turuvekere, Nanjangud, Mandya, French Rocks and Hiriyur Taluk Boards. Government wish to impress on the official members the necessity for their setting a better example in this respect to their non-official brethern and for taking a greater interest in local self Government. To stimulate a healthy spirit of competition in this direction Government desire also that special mention may be made in the future reports of the names of members, both official and non-official, who have taken particular interest and proved themselves exceptionally useful in the discussion and management of the affairs of their respective Boards.

5. *Election of Vice-Presidents for the Taluk Boards.*—Out of the 11 Taluk Boards which had the privilege of electing their Vice-Presidents under Rule 9 (2) of the Local Boards Rules, only 4* had non-official members as Vice-Presidents while the others elected the Sub-Registrar for that office. Government will be glad to see the Taluk Boards exercise their privilege in favour of non-official candidates more largely as it will serve the real purpose of the rule, and ensure larger scope for co-operation between officials and non-officials.

Bangalore, Kolar, Tirthahalli and Mudgere.

6. *Union Panchayats.*—On the last day of the year, there were, on all the 242 Union Panchayats, 567 official members and 1,388 non-official members. Only 79 of the Panchayats met not less than the prescribed number of times, *viz.*, 12. The average attendance at the meetings was 1·3 officials and 4 non-officials or 5·3 in all against the average strength of 8 members. The Panchayats in the Kolar District were the most active, during the year. In Mugur, in the T.-Narsipur Taluk no non-official member attended any of the meetings, while no official member attended any of the meetings in Honganur and Mallur in the Channapatna Taluk and in Hirehalli in the Challakere Taluk. No meetings were held at all in 37 Unions, 28 of which were in the Mysore District. The President of the Mysore District Board remarks that this is partly due to the Amildars who are the Chairmen of the Union Panchayats having too many Unions to attend to. Government observe that this could be remedied to a great extent by the appointment of non-official Chairmen for the Panchayats in places where competent men are forthcoming and they will be glad to consider any proposals that may be submitted by the Presidents in this respect.

7. *Finance Committees.*—The finance committee did not meet regularly once a month in any of the districts. The Committees of Hassan and Chitaldrug showed some activity, while that of the Shimoga District Board never met during the year. Government note that the regular audit of the District Fund accounts by the committee is absolutely necessary in consequence of the abandonment of the centralised monthly audit in the Comptroller's office in favour of Local Audit and desire that the Presidents should take early action to revise the constitution of the committees, if necessary, and to see to the strict observance of the directions contained in Rules Nos. 120 and 121 of the Local Boards Rules.

8. *Enlargement of the powers of the Taluk Boards and Union Panchayats.*—In their review of the District Fund Administration Reports and Accounts for 1911-12, Government recognised that the interest of the Taluk Boards and Union Panchayats might be stimulated by investing them with real power and scope for initiative and action and called for proposals to enlarge their functions. The reports of all the District Boards on this important question have not yet been received. Government hope that this question will engage the earnest and prompt attention of the District Boards and that a speedy solution will be reached.

9. *Financial Position.*—The income and expenditure during the year were Rs. 13,18,260 and Rs. 11,36,787 against Rs. 8,72,873 and Rs. 8,59,447 respectively in the previous year. The large increase under both the heads was due to the inclusion in the Kolar District Board Account, of the loan of Rs. 3,90,300 raised by the Board for the construction of the Kolar-Bowringpet Railway and to the investment of a sum of Rs. 2,90,318 out of it in the 3½ per cent Government of India Securities. The year closed with a balance of Rs. 6,56,497. The prescribed balance of one-eighth of the annual receipt was maintained in all the districts.

10. The incidence of revenue under service heads, for every 100 of the rural population was Rs. 17-6-3, of which 61 per cent or Rs. 10-9-0 were derived from local cess, 12 per cent or Rs. 2-1-3 from house and mohatarfa taxes and the rest from other miscellaneous sources.

11. *House and mohatarfa taxes.*—The income from house and mohatarfa taxes including tax on vacant lands was Rs. 1,08,111 against Rs. 93,167 in the previous year. The increase is chiefly due to the collections from the large number of Unions which had been constituded in the previous year. It is observed that in 21 of the newly constituted Unions no taxes were collected during the year apparently owing to the protest of the inhabitants against the constitution of their

Local Fund and Sanitary (Local Boards), dated 23rd May 1914.

villages into Unions. The arrears under this head therefore increased from Rs. 74,035 to Rs. 85,932 and the collection work was satisfactory only in the Tumkur District where the outstandings amounted to only Rs. 1,710 or 15 per cent of the annual demand.

12. *Tolls*—The income from tolls stood at Rs. 40,834 exhibiting an increase of Rs. 4,711 over that of 1911-12, due chiefly to the larger bids secured in the Mysore District and the new toll gate opened on the Madapur-Kaliyur road at the close of the previous year. The schedule of maximum rates of toll was revised during the year.

*Notification No. 8512—L. B. 233-12-8 of 23rd April 1913.

13. *Market collections.*—A sum of Rs. 40,308 was realised under this head. Out of this Rs. 31,269 represents the collections on the Kolar Gold Fields. The Mysore District Board is the only other Local Board deriving an appreciable income from markets. The remaining District Boards have not as yet attempted seriously to exploit this source of revenue. During the year, Government sanctioned the levy of fees at the Attigodu Sante in the Mysore District, and of fees on the cattle that collect at the cattle fairs of Kudli and Rampur in the Shimoga District. The levy of fees at 12 markets in the Hassan District has also been sanctioned. There is a great scope for activity on the part of the Local Boards in the provision of stalls in the several santes, the utilization of jatras and fairs as convenient centres for the dissemination of knowledge on popular subjects, and the raising of revenue on those occasions. Government hope that these subjects will receive adequate attention from the District Boards.

14. *Expenditure.*—The major portion of the District Funds was, as usual, spent on public works. The expenditure under service heads for every 100 of the rural population was Rs. 15-12-5, of which 46 per cent or Rs. 7-5-0 were spent on Public Works executed by the Public Works Department, 12 per cent or Rs. 1-15-2 on works executed by the Civil Department, about 12 per cent or Rs. 1-14-6 on Conservancy and Sanitation, about 13 per cent or Rs. 2-2-0 on medical relief and the rest on miscellaneous public improvements.

15. The total expenditure in the Unions was only about Rs. 59,000 out of an income of about Rs. 106,000 in round figures. In the Unions of Jalamangala in the Closepet Sub-Taluk and Arakere in the Seringapatam Taluk in each of which over Rs. 1,000 was realised, the expenditure during the year amounted to Rs. 5 in the first case and practically nil in the other. Government observe that diversion of funds raised in Unions to works elsewhere will amount to a direct violation of Rule 131(*f*) of the Local Boards Rules. The Presidents of the District Boards should see that the realisations from each Union are expended only for its benefit. To secure this object a careful survey should be made of the sanitary and other requirements of the existing Unions with the help of the District Sanitary Officers and the local Public Works Officers and a suitable programme of works prepared for each Union proportionately to its income, in order to enable the Boards to allot funds for the benefit of each Union according to its requirements.

16. *Public works executed by the Public Works Department.*—A sum of Rs. 54,593 was spent on original works, Rs. 2,68,194 on repairs, Rs. 55,452 on establishments and Rs. 1,584 on tools and plant during the year. The principal original works in progress were the drainage of Robertsonpet and the opening out of the Sorab-Anavatti road. Under repairs, most of the expenditure was on roads. The total length of the District Fund roads maintained by the Public Works Department fell from 3,504 miles to 3,473 miles in consequence of the transfer of the Mysore-Talkad-Sivasamudram road 33 miles in length to the Mysore District Board for upkeep by the Civil Department as an experimental measure and to differences in the measurement of certain roads. The average cost of maintaining each mile of road was Rs. 72 during the year. The mileage grant for the repairs of certain roads in the Kadur and Bangalore Districts was increased during the year.

17. *Public works executed by the Civil Department.*—The Civil Department spent Rs. 50,471 on original works, and Rs. 41,187 on repairs during the year. The

expenditure was mainly on the sinking and deepening of wells and other sources of water-supply and the principal original works in progress were the construction of a building for the Kolar Gold Fields Sanitary Board Office, the extension of street lighting by electricity on the Kolar Gold Fields and the construction of musafir-khanas at Bagepalli and near the French Rocks Railway Station.

18. *Lapses.*—Out of the grants made for works to be executed by the Public Works Department only 7½ per cent lapsed during the year, but the lapses under grants for works in the Civil Department were considerable as shown in the following table :—

Districts	Lapse				Number of incomplete works at the end of the year out of those sanctioned during		
	Grant	Outlay	Amount	Percentage to grant	1912-13	Previous years	Total
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
Bangalore	7,620	1,136	6,484	85	27	99	126
Kolar	24,410	10,427	14,013	57	50	20	70
Kolar Gold Fields	19,707	16,354	3,353	17	11	...	11
Tumkur	18,573	11,176	7,397	40	37	16	53
Mysore	61,148	26,864	34,285	56	94	55	149
Hassan	19,089	6,924	12,165	64	30	31	61
Shimoga	35,251	7,457	7,794	51	37	25	62
Kadur	7,500	3,634	3,866	51	15	13	28
Chitaldrug	22,801	7,685	15,116	66	19	8	27
Total ...	1,96,129	91,656	1,04,473	53	320	267	587

19. The reasons alleged for such large lapses are the late sanction of estimates, the non-receipt of bills before the end of the year, the prevalence of cholera in the villages and the consequent difficulty in securing contractors and labour and the delay on the part of raiyats to do earthwork in the case of wells. Government are constrained to observe that many of the above circumstances could have been avoided by greater promptitude and care on the part of the District and Taluk Officers and by sustained activity throughout the year instead of the works being attempted to be rushed through towards the close of the year. Government desire to impress upon the District Officers the necessity for sanctioning works early in the year, and exercising effective check and control over their progress by arranging for the submission of periodical reports and for the frequent inspections of the works by the Officers, Committees and individual members of Boards.

20. *Conservancy and Sanitation.*—The expenditure on conservancy and sanitation amounted to Rs. 99,059. Out of this Rs. 88,409 represents merely the pay of the establishments on the Kolar Gold Fields and of the Sanitary and Assistant Sanitary Inspectors for Taluks and of sweepers in the Unions and 77 other large or important villages. A sum of Rs. 543 was spent for special conservancy and sanitation during the jatras. A certain amount of attention was also paid to the removal of rank vegetation, manure and night soil from the surroundings of houses and it is gratifying to observe that in the Sidlaghatta Taluk the villagers whole heartedly co-operated with the executive in clearing prickly-pear from a fairly large tract of land. Though the District Boards did not make sufficient provision for epidemic charges in their budgets some good work has been done in connection with the combating of epidemics in rural parts. In this connection Government note with pleasure the enthusiasm exhibited by the patels of Anaji and Alur in the Davangere Taluk in checking the spread of cholera in their villages and the reward promptly accorded to them by the President of the District Board and the Deputy Commissioner of Chitaldrug District. Government also desire to express their appreciation of the exceptional good work reported to have been done by the patel of Amchavadi in Chamrajnagar Taluk in the prevention of this disease and the successful treatment of affected patients in his village.

21. *Prosecution for breach of sanitary rules.*—Eighty-nine persons were prosecuted for breach of sanitary rules on the Kolar Gold Fields and 73 of them

Local Fund and Sanitary (Local Boards), dated 23rd May 1914.

were convicted and fined Rs. 255. Out of 682 persons prosecuted for the breach of the Village Sanitation Rules in the rural parts under the control of District Boards 404 were convicted and fined Rs. 769.

22. *Medical Relief.*—A new Local Fund Dispensary having been opened during the year at Mandagaddo in Tirthahalli Taluk, the total number of dispensaries subsidised from District Funds, was increased by one, *i.e.*, from 113 to 114. All the dispensaries and midwives are under the administrative and professional control of the State Medical Department. The number of Ayurvedic and Unani Dispensaries, maintained from District Funds, remained the same as in the previous year, *viz.*, 31.

23. *Vaccination.*—Eighty thousand and four persons were vaccinated in the rural parts against 67,865 persons in the previous year, the increase being chiefly on the Kolar Gold Fields, where small-pox had broken out in a very virulent form. The President of the Tumkur District Board is requested to make a separate report regarding the neglect of vaccination work complained of by him in para 29 of his report.

24. *Veterinary Charges.*—A sum of Rs. 3,225 was contributed by the District Boards towards the maintenance of the eight Veterinary Dispensaries and Hospitals in the State. These institutions are reported to be steadily growing in popularity.

25. *Births and deaths.*—The number of births and deaths registered during the year was 92,595 and 89,047 against 97,158 and 98,608, respectively, in the previous year. There was a decrease in the number of deaths in the Bangalore, Kolar, Tumkur and Shimoga Districts and an appreciable increase in the Mysore District where 3,734 persons succumbed to cholera against 308 in the previous year. The total number of deaths from small-pox was 3,819, *i.e.*, almost twice the number for 1911-12. The Chitaldrug District suffered most from this disease and the Bangalore District was quite free.

26. *Accommodation for travellers.*—Besides three buildings maintained by the Kolar Gold Fields Sanitary Board, the District Funds maintained 138, IIIrd class travellers' bungalows and 232 musafirkhanas and other buildings for the use of the travelling public. A private building at Lakkavalli was vested by one Kuppusami Mudaliar in the Kadur District Board for the use of the travellers. The expenditure incurred for the upkeep of these buildings and the fees collected for their occupation amounted to Rs. 26,015 and Rs. 2,612 against Rs. 25,509 and Rs. 2,379 respectively in the previous year.

27. *Cattle shows and exhibitions.*—Cattle shows and exhibitions were held in various places as in the previous years. The expenditure incurred on these shows and exhibitions from the District Funds was Rs. 2,143, while the receipts therefrom amounted to Rs. 3,119. Government note with gratification the enthusiasm displayed by the local officers and the public in this connection.

28. *Breeding Bulls.*—Under Government Order No. 8358-67—L. B. 303-07-1 dated 22nd February 1908 each District Board is permitted to supply 5 breeding bulls at concession rates to such raiyats as offer to use them for breeding purposes only. The marginal statement shows the extent to which this order has been availed of in the several districts.

Bangalore	2

Tumkur	Nil
Mysore not reported	
Hassan	1
Shimoga	3
Kadur	1
Chitaldrug	4

29. *Railways.*—A sum of Rs. 65,900 was collected during the year for the Kolar-Bowringpet Railway loan, the total realised up to the end of the year being Rs. 3,90,300. An interest of Rs. 18,362 was realised from the investment of a part of the loan amount in the Government of India securities, while the debenture holders were paid an interest of Rs. 12,344 during the year. This Railway has since been completed and it was opened for traffic by His Highness the Maharaja on the 15th of December 1913. The proposals originally received from the Chitaldrug District Board for Railway construction in that district and for financing the

same having been remitted for reconsideration the Board has submitted revised proposals which are under the consideration of Government.

30. *Audit of accounts.*—The local audit department of the Comptroller's office audited the accounts of all the District Boards. No serious irregularities have been brought to notice.

31. *Local Fund General.*—The financial condition of this fund was as follows:—

	Rs
Opening balance	1,74,241
Receipts	2,27,928
Total ...	4,02,169
Expenditure	1,45,268
Closing balance	2,56,901

32. The contribution of the 67 per cent of the local cess on Abkari and miscellaneous items of revenue was as usual the principal source of income. The expenditure was mainly on the following items:—

	Rs.
Grant to local bodies	13,500
Public Works	37,716
Technical instructions	77,200
Miscellaneous	16,852
Total ...	1,45,268

33. The annual grant to the Pasteur Institute at Coonoor was raised from Rs. 500 to Rs. 1,000 a year.

34. *General.*—The work turned out by the Local Boards during the year has been on the whole real and substantial and Government are glad to note that the success achieved so far, is due in no small degree to the intelligent co-operation of the non-official members of the Boards with their official colleagues.

No. 11600-17—Mi. 60-13-47, DATED BANGALORE, 19TH MAY 1914.

PART I—CONSTITUTION OF MUNICIPALITIES.

ORDER THEREON.—*Number of Municipalities.*—The total number of Municipalities in the State continued to be 89. Thirty-four of these were governed by the Municipal Regulation No. VII of 1906, Birur and Chintamani having been duly notified during the year as permanent Municipalities under that Regulation.

2. *Elections.*—Elections were held for the first time in the two newly constituted Municipalities and nine Councillors were duly elected out of 24 candidates. General elections for the reconstitution of existing Municipal Councils fell due in 21 Municipalities during the year. The elections were successfully held in 11 of them and 173 candidates contested the 71 available seats. In the Municipalities of Gubbi and Hunsur, the elections held were a failure and the vacancies had to be filled up by nomination. In the remaining 8 Municipalities no action was taken to hold the triennial elections in time and Government extended the terms of the existing Councils in these Municipalities under Section 17 of the Municipal Regulation. Out of 10,183 persons entitled to vote in the 13 Municipalities where elections were successful, only 5,106 voters, *i.e.*, 50 per cent took part in the elections. The largest percentage (84) of attendance of voters was in Shimoga and the next best (62) in Bangalore City. The candidates who failed to secure the seats on the Council in the Bangalore City disputed the validity of the elections in the District Judge's Court, but the suits were all dismissed as frivolus.

3. *Constitution of Municipal Councils and Boards.*—Municipal Councils were constituted under the Regulation for the towns of Sidlaghatta, Chikballapur,

Mulbagal and Chitamani during the year and that for Birur has since been sanctioned. On the last day of the year of report, there were on all the Municipal Councils and Boards 1,028 members, of whom 151 were elected members, 371 nominated officials and the rest nominated non-officials.

4. During the year, the Government decided to relieve the Deputy Commissioners of the Bangalore and Mysore Districts of their duties as Presidents of the Bangalore and Mysore City Municipal Councils, as these officers had found themselves unable, amidst their multifarious duties, to devote the required amount of attention to the affairs of these cities. The time was considered opportune for appointing a non-official President* to the Bangalore City Municipal Council and Rajasabhabhushana Dewan Bahadur Mr. K. P. Puttana Chetty, was appointed President of that Council with effect from the 1st February 1913. In the Mysore City, an officer† of the State Public Works Department was appointed President of the Municipal Council and Chairman of the Trust Board, as a tentative measure, with effect from the 15th March 1913.

* Government Order No. 5911-51—Ml. 236-12-1, dated 22nd January 1913.

† Government Order No. 7035 8—Ml. 295-12-1, dated 4th March 1913.

5. *Meetings and attendance.*—Seventy-eight of the Municipal Boards and Councils met not less than the prescribed number of times, *viz.*, 12. The deficiency in the number of meetings held in the remaining 11 Municipalities was chiefly due to want of quorum. The average attendance at the meetings was about 7 out of an average strength of about 12 members for each Municipality. In 9 Municipalities the average attendance was less than 50 per cent of the sanctioned strength, while in 5 Municipalities the attendance of non-officials was less than that of the official members. The attendance of non-official members at the meetings in Maddagiri and Melkote was very good, while that of official members in Sarjapur, Chikballapur, Koratagere, Malvalli and Birur was very unsatisfactory. Government hope that the Deputy Commissioners of Districts and the heads of departments concerned will take the necessary steps to ensure that such indifference on the part of their subordinate officers who are members of Municipal Boards and Councils does not continue in future.

6. *Committees.*—Except in the cities of Bangalore and Mysore and the towns of Tumkur, Nanjangud and Chikmagalur, the work done by the Committees as judged by the number of meetings and the attendance thereat is not encouraging. Though the constitution of a Managing Committee is impertative under Section 27 of the Municipal Regulation, most of the Municipal Councils failed to take the necessary action to constitute the Committees and to frame necessary bye-laws for their guidance. The Deputy Commissioners have been already requested to see that necessary action is taken in the matter.

7. *Rules and Bye-laws.*—The revised Rules for the regulation of water-supply from the Chamarajendra and the Vani-Vilas Water-works published at the close of the previous year were brought into force from the 1st August 1912. For providing against interference with water pipes and sewers in the Bangalore City certain rules were framed and published* under Section 176 (1) (*d*) of the Municipal Regulation. The following Rules and Bye-laws were approved by Government during the year:—

* Notification No 9675—Ml 382 07-5, dated 7th June 1913

Rules or Bye-laws.	Municipalities.
1. Rules for the conduct of business at Municipal meetings.	Chitaldrug. Harihar. Closepet. Channapatna. Devanhalli. Hole-Narsipur.
2. Rules for the guidance of Managing Committees ...	Bangalore City.

Bye-laws relating to :—	
3. The Registration of Births and Deaths.	Tumkur, Shimoga and Chikmagalur.
4. Compulsory vaccination	T.-Naripur and Mandya.
5. Management of slaughterhouses and Regulation of dangerous and offensive trades.	Bangalore City.
6. Regulation of markets and slaughterhouses ...	Chikmagalur.
7. Control of burial and burning grounds ...	Shimoga.

8. The draft Municipal Account Manual prepared under the supervision of the Comptroller was considered at Mysore by a conference of certain heads of departments and the Deputy Commissioners of Districts during the Dasara of the year 1912. The recommendations of the conference have been accepted* by Government and the publication of the manual in a final form authorized. Such of the rules and forms as are of general applicability have been ordered to be translated into Kannada and printed as a separate manual for use in the Non-Regulation Municipalities.

*Government Order No. 10120-37-5M. 4M-06-35, dated 21st June 1913.

9. *Variations in taxes and fresh imposts.*—The rates of toll were doubled in Davangere and the temporary levy of market fees and octroi on certain articles in the Holalkere Municipality was made permanent. A tax on motor cars and motor bicycles was introduced in Chikmagalur Municipality as also lighting tax at one per cent of the rental value in the Mysore City.

10. *Revision of assessment.*—Action was taken to revise the tax on houses and Mohatarfa taxes in Hosdurga, Jagalur, Hassan and Gudibanda. It is reported that there are a large number of sites in Chikmagalur Municipality the owners of which cannot be traced and that the Khatedars themselves cannot identify their lands in some cases. It is hoped that the Municipal Council will endeavour their best to identify the lands and trace the particulars of the owners of the sites and complete the assessment list in accordance with Section 63 of the Municipal Regulation.

The maintenance of assessment lists prescribed in Section 63 of the regulation is compulsory in the case of the Regulation Municipalities and the Deputy Commissioners are requested to see that prompt action in this direction is taken in all such Municipalities.

11. *Demand, collection and balance.*—The aggregate current demand for the year under assessed taxes was Rs. 3,36,000 in round numbers. Of this Rs. 2,65,400 was collected, leaving a balance of 21 per cent uncollected at the end of the year. The collection of current taxes in the Municipalities of the Tumkur District and in the Bangalore City was very fair and it was very unsatisfactory in the Municipalities of Birur, Hunsur, Chamrajnagar, Yedatore, Gundlupet, Seringapatam, Maddur and Nagamangala. The collection of arrears was very good in Kolar Town and most unsatisfactory in Seringapatam. The outstanding arrears rose from about Rs. 1,57,400 to Rs. 1,66,200, *i.e.*, by six per cent. Government note that there is great scope for improvement in collection work and trust that the arrears will be largely reduced at an early date with the enthusiastic co-operation of non-official members.

12. *Population and incidence of taxation.*—The incidence of taxation per head of population was Rs. 2-11-2 in the Bangalore City and Rs. 2-1-11 in the Mysore City. In the other Municipalities it ranged from Re. 0-4-8 in Talkad in the Mysore District to Rs. 3-13-1 and Rs. 4-12-1 respectively in Alur and Saklespur in the Hassan District. The high incidence in Alur is due partly to the decrease in the population (988 in 1911 against 1,299 in 1901 and 1,822 in 1891) and partly to the realisation of a sum of Rs. 2,657 or Rs. 2-11-0 per head from Octroi which, there is reason to believe, is not wholly borne by the people of Alur only. The special census referred to in para 12 of the review for 1911-12 was taken in the Tumkur town during the year and the population recorded was 10,440 against 6,039 recorded in the final census of 1911.

Proceedings of the Government of His Highness the Maharaja of Mysore,

PART II—FINANCIAL POSITION.

13. The subjoined statement exhibits the income and expenditure during the year under review and the year previous.

No.	Items	1912-13	1911-12	Difference
1	2	3	4	5
	Receipts.	Rs.	Rs.	Rs.
1	Octroi	3,59,741	3,27,855	31,886
2	Assessed taxes	3,28,590	3,31,049	— 2,459
3	Tax on vehicles and animals	15,050	10,134	4,916
4	Tolls and ferries	87,981	86,570	1,411
5	Special sanitary cess	5,584	5,904	— 316
6	Cattle pounds	16,371	16,857	— 486
7	Markets and slaughterhouses	50,008	47,926	2,082
8	License fees	1,790	28,527	—26,737
9	Grants and contributions	51,675	18,785	32,890
10	Other items	63,281	52,900	10,381
	Total Service Heads ...	9,80,071	9,26,507	53,564
	Public Debt ...	50,953	66,947	—15,994
	Total Receipts ...	10,31,024	9,93,454	37,570
	Expenditure.			
1	General administration	1,12,194	1,12,557	— 363
2	Lighting charges	67,778	66,581	1,197
3	Public works carried out by Public Works Department ...	17,476	8,840	8,646
4	Public works carried out by Civil Department	1,79,693	2,25,740	—46,047
5	Water-supply and maintenance	74,156	34,592	39,564
6	Conservancy	2,15,114	2,09,541	5,573
7	Epidemic charges	11,526	18,516	6,990
8	Medical relief	37,816	41,444	— 3,628
9	Cattle pounds	5,336	5,113	223
10	Public Instruction	34,721	32,933	1,794
11	Other items	60,467	72,604	—12,143
	Total Service Heads ...	8,16,280	8,28,451	—12,171
	Public Debt ...	53,925	80,993	—27,068
	Total Expenditure ..	8,70,205	9,09,444	—39,239

14. The Municipalities of Kankanhalli, Srinivaspur and Bagepalli continued to have debit balances as in the previous years and the Heggaddevankote Municipality joined their ranks during the year. The Municipalities of Kolar, Maddur and Harihar, however, recovered their financial stability. The balance of the loan of Rs. 9,297 due by the Chitaldrug Municipality was remitted by Government. Eight other Municipalities continued to be indebted to Government. The financial condition of three * of these show that the balance of the loan may be wholly discharged at once. Government hope that the Municipal bodies concerned will take necessary action in this connection as they can thereby save the interest charges.

	Rs.
Kadur	1,186
Harihar	1,250
Hunsur	5,600

15. The closing balance of 36 of the Municipalities was far above the prescribed maximum. On the application of the Shikarpur and Nyamti Municipal bodies the investment in the Government securities, of that portion of their surpluses which was not required for current charges, has been sanctioned* and Government will be glad to favourably consider similar proposals from other Municipal bodies which have any large projects in view.

* Government Order No. 548 9—Ml. 372-12-3, dated 12th July 1913.

Local Fund and Sanitary (Municipal), dated 19th May 1914.

PART III—RECEIPTS.

16. *Octroi.*—The increase of Rs. 31,886 under Octroi was chiefly under piece goods and was due in some measure to the better supervision of collections during the year. The Octroi staff in the Bangalore City was very active and lodged 17 prosecutions for the breach of Octroi Rules. Thirteen persons were convicted and fines amounting to Rs. 349 were realised from them.

17. *License fees.*—The large decrease of Rs. 26,737 in the income from this source was due to the withdrawal of the income from license fees on liquor shops in the Bangalore and Mysore Cities as their levy was not authorized by the Municipal Regulation. On further representations from the Municipal Councils the realisations from the Excise revenue under the Registration and surcharge fees on arrack shops within the respective Municipal limits has since been provisionally assigned to the Municipal Councils of these two cities.

Government Order No. 4055-9--MI. 272-11-13, dated 3rd October 1913.

18. *Grants and contributions.*—The increase under grants from Government noticed in the Mysore City is only nominal and is accounted for by the fact that the actual aid received by the Municipal Council in the maintenance of the Vani-Vilas water works has been shown for the first time on the receipt side, while the entire annual maintenance charges minus the revenue realised from the water works are entered on the expenditure side in the accounts of the Municipal Council.

19. The report of this year reiterate the complaints about the omission to promptly intimate to the local bodies the adjustments of credits and debits effected in their accounts by the Central Audit Office. Separate action is being taken to rectify this defect.

PART IV—EXPENDITURE.

20. *Public works executed by Civil Department.*—The aggregate expenditure on public works incurred in the Civil Department was Rs. 1,79,693 against the budget grant of about Rs. 3,16,000. The lapses were heavy in all the districts, the Bangalore District heading the list with a lapse of 93 per cent of the grant. In the Tumkur and Kadur Districts the lapses amounted to 63 per cent. The lapses in the Bangalore and Tumkur Districts are attributed to non-receipt of bills for work done before the close of the year and to non-commencement of certain works provided for in the budget. Most of the expenditure on public works was incurred in the month of June instead of being spread evenly throughout the year. Government desire to impress on the Municipal bodies the desirability of sanctioning works early in the year subjecting them to periodical inspections by the members, reviewing frequently the progress in their execution and of insisting upon the prompt submission of bills and payment of claims. Government note that there is considerable scope for the non-official members co-operating with the executive in this direction.

21. *Conservancy and sanitation.*—Certain powers specified in Section 144 of the Municipal Regulation regarding the prevention of dangerous diseases were conferred on the Municipal Councils of Davangere, Chikmagalur and Tarikere during the year. The surveys of the Tumkur and Chintamani Municipalities have been completed.

22. Out of the grant of Rs. 5,000 received by the Seringapatam Municipal Council for the sanitary improvement of the town only a sum of Rs. 2,215 was spent during the year.

23. *Water-supply.*—The question of financing the project for the improvement of the water-supply of the Nanjangud town was settled during the year, the temple authorities of Sri Nanjundeswaraswami contributing Rs. 10,000 towards the estimated outlay of Rs. 35,653 and the remainder being met from the Municipal funds. The construction of a subsidiary reservoir for the Chikmagalur water-supply was also sanctioned, as stated in the last year's review.

24. *Medical relief.*—The expenditure incurred from the Municipal funds towards the maintenance of local fund dispensaries and midwives was Rs. 29,684.

Grants of Rs. 25 and 10 were newly sanctioned to a hakim in the Bangalore City and to the Church of England Zanana Mission Hospital at Channapatna respectively.

25. *Vaccination.*—Thirteen thousand nine hundred and fifty-nine persons were vaccinated against 13,716 in the previous year. The number of prosecutions under the Vaccination Regulation was 25 and convictions were secured in 5 cases. The vaccination work in Chitaldrug District showed a considerable improvement over that of the previous year, while in the Kadur District it was about only one-half of that in the previous year. The Deputy Commissioner of the Shimoga District reports that there is a considerable scope for improvement in the work of vaccination in the district. Government hope that suitable action will be taken by the Municipal bodies concerned.

26. *Registration of births and deaths.*—The total number of births and deaths registered during the year was 13,403 and 13,064 against 13,475 and 15,294, respectively, in the previous year. There was a decrease in deaths in all the Districts, except Bangalore City and the Mysore and Kadur Districts. Cholera was prevalent in all the districts and 1,221 persons succumbed to it against 313 in the previous year, the Mysore District recording the largest number of cases. There was a marked decrease in the number of deaths from plague and the towns in the Chitaldrug District were entirely free from infection during the year. Eighty-four persons were prosecuted in the Bangalore City for not reporting births and deaths in accordance with the bye-laws and 67 were convicted and fined Rs. 23 in all.

27. *Markets and slaughterhouses.*—The construction of a slaughterhouse in Davangere was completed during the year, and that in Channapatna is reported to be nearing completion. Special establishments for the supervision of markets and slaughterhouses were maintained only in the Bangalore and Mysore Cities and Bowringpet Town and the expenditure incurred therefor amounted to Rs. 2,113. Powers under Section 142 (2) regarding seizure of adulterated articles of food and drink and prosecution of dealers therein have been conferred on the Municipal Councils of Bangalore and Mysore Cities and Tumkur and Hassan towns. In the Bangalore City, 13 samples of adulterated ghee were seized in exercise of these powers and 10 persons were prosecuted. Of these 8 were convicted.

28. *Public instruction.*—The Mysore City Municipal Council were relieved of the grants made by them to certain Secondary and High Schools and a readjustment of the grants made from the Municipal and State Funds to the other schools in the city was *affected during the year. Out of the savings thus effected, two Municipal Primary Schools have been opened at an annual cost of Rs. 1,776. The Bangalore City Municipal Council provided one of the grant-in-aid schools in the city with a building and have also been † contributing since April 1913 half the cost of the Model Infant School started in the New Extension with the object of teaching children below six years of age through the Kidergarten method.

* Government Order No. 3891-3—Ed. 278-02-11, dated 21st November 1911.

† Government Order No, 6590 2—Ml. 66 12 4, dated 27th February 1913.

29. *Public debt.*—At the end of the year there were only 8 Municipal Boards and Councils indebted to an extent of Rs. 97,349 to Government and the Local Fund General. The debit* balances under public debt in the Municipalities of Bangalore City and Chikballapur are heavy and are due to non-adjustment of the advances made in connection with the expenditure on extensions in these towns. The Municipal Councils will do well to take early steps for the adjustment of these items.

* Bangalore City Rs 53,143
C. Chikballapur Rs. 8,867

PART V—GENERAL.

30. *Audit.*—The Municipal accounts were audited by the Municipal Councillors and the Local audit staff of the Comptroller's office. The chief defects noticed

Local Fund and Sanitary (Municipal), dated 19th May 1914.

were " want of payees receipts in support of payments and the non-maintenance of Cash Books " in many of the Municipalities. It is hoped that the adoption of the rules in the Municipal Account Manual will conduce to the proper maintenance of the accounts and to the rectification of the existing defects.

31. *Defalcations.*—Defalcations were discovered during the course of local audit in the Nelamangala, Seringapatam, Hunsur, Malur, Chintamani and Mulbagal Municipalities and they were due to lack of proper supervision over collection work. Government hope that the executive will take effective measures to prevent such irregularities in future.

32. The thanks of Government are due to the several officers and non-officials who have contributed to the successful administration of the Municipalities during the year and in particular to Rajasabhabhushana Dewan Bahadur Mr. K. P. Puttanna Chetty for his able administration of the affairs of the premier Municipality in the State.

READ—

Letter No. 250, dated the 16th February 1914, from the President of the Municipal Council, Bangalore City, stating that the Mysore Bank are prepared to allow interest at the rate of 4½ per cent per annum on all sums deposited by the Municipality for a fixed period of 12 months and at 2 per cent on the minimum balances in floating account up to a maximum of Rs. 25,000, on the understanding that the Municipality will conduct all its banking operations through the agency of the Bank, and requesting that the funds of the Bangalore City Municipality now in the Bangalore District Treasury amounting to nearly Rs 1,34,701 be transferred to the Bank of Mysore, so that Rs. 75,000 may ke kept in fixed deposit for a period of 12 months and the balance in floating account with the Bank.

No. 11882-5—Ml. 283-13-4, DATED BANGALORE, 27TH MAY 1914.

ORDER THEREON.—On a consideration of the question in all its aspects, the Government of His Highness the Maharaja of Mysore are pleased to sanction under Section 53 of the Municipal Regulation the proposals of the Bangalore City Municipal Council, subject to certain modifications, as detailed below :—

I. Rs. 75,000 out of the balance at the credit of the municipality may be suitably invested ; but only half of this amount may be kept as a fixed deposit in the Mysore Bank, subject to the conditions specified and the remaining shall be invested in the readily realizable form of Mysore Government Securities.

II. The Municipal Council may conduct all its transactions through the agency of the Bank of Mysore on the stipulated terms subject to the following conditions :—

(i) A balance of at least Rs. 5,000 should be kept in the Bangalore District Treasury by the Municipal Council for Municipal payments which under rules and practice are made directly from the Treasury and also for giving due effect to adjustments required by the Comptroller.

(ii) Whenever the balance in the Treasury falls short of Rs. 5,000 the President should on requisition by the Comptroller arrange to make good the deficiency.

(iii) The treasury account should not ordinarily be drawn upon by the President.

(iv) The excess over Rs. 25,000 in the floating account, not earning interest, should be transferred from the Mysore Bank to the Bangalore District Treasury.

4	574	31st October 1913 ...	Do Kolar
5	S. 425	3rd November 1913 ...	Do Bangalore
6	505	22nd January 1914 ...	Do Mysore
7	228	13th March 1914 ...	Do Shimoga
8	...	(Not received)	Do Hassan

No. 11987-95—ML. 90-13-10, DATED BANGALORE, 30TH MAY 1914.

ORDER THEREON.—The Government Order of the 8th May 1899 was issued with the intention of providing as far as possible a minimum remuneration of Rs. 108 per annum to the village servants collecting municipal taxes and accordingly provides that when the collections in a municipality exceed Rs. 3,600 three per cent on the collections shall be allowed as remuneration to village servants employed for the purpose, and when the collections are not so high, the limit may be raised to 5 per cent.

2. The Comptroller's reference is based on the view that if the limit of 3 per cent is raised at all, under the Government Order above mentioned, it should be to 5 per cent. But it is clear from the other portions of the order that Government intended the 5 per cent as the maximum limit, while in each case the limit should be raised only to such extent as is necessary to secure a remuneration of Rs. 108.

3. In order, however, to remove any further chance of misconstruction, Government direct that the word 'up' be inserted between 'raised' and 'to' in paragraph 5(*b*) of the Government Order in question. The amended rule will be as follows:—

"When this minimum cannot be got in smaller municipalities, the limit may be raised up to 5 per cent."

4. Government deem it unnecessary to prescribe any sliding scale as suggested by the Comptroller.

Correspondence ending with letter No. 4213, dated 2nd April 1914, from the Sanitary Commissioner, requesting that revised rules may be laid down defining the methods of disinfection to be adopted in the State.

No. 11273-83—SAN. 88-13-4, DATED BANGALORE, 11TH MAY 1914.

ORDER THEREON.—In supersession of all previous orders on the subject, the following revised instructions are laid down in regard to the methods of disinfection to be followed in the State:—

(1) In the infected villages of the Mysore State bordering on the Madras Presidency, desiccation, combined with fumigation with neem leaves, lime washing and the use of kerosene oil emulsion should be adopted as hitherto.

(2) In all other places, desiccation, combined with fumigation with neem leaves, need alone be adopted, the use of kerosene oil emulsion being limited to the exterior surroundings of a house, such as, drains, etc.

Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Sanitary Commissioner in Mysore.
The Deputy Commissioners of Districts and Presidents of the City Municipal Councils of Bangalore and Mysore.

Exd.—K. N.

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

Letter No. 10156—527, dated the 5th February 1914, from the Inspector-General of Education in Mysore, submitting proposals to start one thousand Village Elementary Schools in the State.

With reference to Government Order No. 1633-34—Edn. 37-12-2, dated 20th August 1912, accepting generally the proposals of the Education Committee of the Economic Conference for the improvement of education in the State, I have the honor to append a list containing the names of one thousand villages in the several districts of the State, where it is intended to start Aided Village Elementary Schools, as many as possible, before the end of the present official year and the rest before the end of the next official year. The places noted in the list have been selected as they have a large population, generally about 600 and more and as it is possible to obtain suitable buildings from the villagers for the location of the schools. I request that the list may be approved by Government and the Inspector-General authorized to arrange for starting aided schools in them through the agency of the District Committees of the Economic Conference or through private or other agencies as may be found. The Inspector-General may also be vested with discretion to substitute other places for the villages named where owing to local circumstances for the time being, it may be difficult or unnecessary to start a school at once.

As regards the aid to be given to these schools by Government, Rule V (1) of the New Grant-in-aid Code sanctioned in Government Order No. 7067—Edn. 312-12-4, dated 20th January 1914, makes provision generally for giving a grant of Rs. 48 per year for each teacher and eight annas for each pupil in standards below the 3rd, twelve annas for each pupil in standards 3rd and 4th and one rupee for each pupil in the 5th standard in average daily attendance. In addition to this help from Government, the villagers are expected to provide buildings for the schools started and to pay private contributions to the teachers employed in aided schools. In practice, however, it is found that the parents of richer boys try to put off payment of such contributions on account of the influence they wield in the village, the teacher being powerless or unwilling to enforce payment for fear of incurring their displeasure, and losing even the small income that he may be getting. It appears to me, therefore, necessary that it should be specifically laid down what the minimum is that each parent is expected to contribute for his child's education on pain of the pupil being sent away from the school in case of non-payment. In my opinion the villagers generally find it convenient to give a contribution in grain at the harvest time. Such contribution is even now being willingly paid by them to the village washerman, carpenter, blacksmith and others, although to the village 'Toti' and 'Talari' they are reluctant to pay on the plea of their being mere employees of Government. I therefore propose that each parent of a pupil attending a school should contribute from 40 to 60 seers of "ragi," "paddy" or other grain per pupil per annum as may be fixed by the Inspector-General, say, for a fixed period of generally three years, a revision being made, if necessary, after that period. It may be made also optional to commute the grain contribution into a money contribution.

As regards the payment of the Government share of the grant-in-aid, a temporary variation may also be made in the manner of payment of the grant. As Rule 5 (1) of the Grant-in-aid Code stands at present, there is no authority for the Inspector-General to disburse the grant for each teacher on monthly bills, and this difficulty will stand much in the way of private persons coming forward freely to start schools in places ther othan those where they live or have some means of living of their own. People without such means cannot afford to wait for a year and take payment in a lump sum at the end of the year. Further, the clause regarding the disbursement of an annual grant of annas 8 to Re. 1 per pupil per annum needs also to be relaxed for 2 or 3 years to come, as the teacher on account of his poverty requires immediate help. I therefore beg to propose that in cases where it is found that monthly payment of the Government grant-in-aid will help to bring into existence private schools at once, and give them some stability also, the Inspector-General may be authorized to disburse at once from the date of recognition, the amount of grant varying from Rs. 5 to Rs. 7 per month, according to the standard of the school, and the circumstances of the place.

Concerning the cost, even calculating at the maximum rate of Rs. 7 for each school for 1,000 schools, the annual cost will be Rs. 84,000 and as per triennial programme of expenditure approved in Government Order No. Fl. 7281-326—G. F. 183-12-1, dated the 17th June 1913, the provision made for Primary Education will suffice to meet the charge. Each school will be placed under a Committee of the villagers, and may also be supervised by the Progress Committee of the taluk, or the District Committee of the Conference.

Proceedings of the Government of His Highness the Maharaja of Mysore,

For the current official year, the cost of the schools to be started will be met from the special provision of one lakh. All appointments of schoolmasters under this scheme will be subject to the approval of the Inspector-General, or other officer concerned, thereby avoiding the entertainment of inefficient men. It may also be laid down that successful aided schoolmasters will be taken to the Government service from time to time as vacancies are found. As a further inducement for good work, and for keeping up a high standard of efficiency, it will be necessary to convert periodically a number of the successful schools, say about a third, into Government institutions.

I request that the Government may be pleased to pass very early orders on these proposals. I may add that a few experimental schools started on these lines are already showing signs of success and the people of the places where they are working are also showing eager interest in them.

No. 12022-4—Edn. 304-13-3, dated Bangalore, 30th May 1914.

Order thereon.—The Inspector-General of Education is authorized to start Aided Village Elementary Schools as recommended by him and to substitute whenever necessary the names of other villages for those mentioned in the list appended.

2. Government feel convinced that in order to promote the spread of education as widely as possible, the efforts and funds of Government should be supplemented by private agencies and local organizations which should bear an appreciable part of the cost of education, and the question whether in the light of this and other considerations, the policy of free primary education in Government Schools laid down in 1908, is in need of modification is engaging attention separately.

3. There is a manifest desire on the part of the people in many parts of the State to undertake a portion of the responsibility in providing elementary education. The scheme of aided Elementary Schools put forward by the Inspector-General of Education appears well suited to evoke and organize local effort in the rural areas of the State. Government are therefore pleased to approve generally of the principles laid down and accord sanction to the proposal to make the village as a whole responsible for maintaining the aided school and the payment of a suitable salary to the teacher by supplementing with their own contribution the grant paid by Government, so that the total remuneration of the teacher may amount to about Rs. 10 per mensem. These contributions may take the shape of an annual gift of grain (ragi or rice) optionally commutable to a money payment as suggested by the Inspector-General of Education.

4. The Inspector-General of Education is authorized to sanction grants to these schools under Rule 5 of the Grant-in-aid Rules and under Rule X (4) these grants may be disbursed monthly, a certified copy of the attendance roll of the school being given on the reverse of the bills for payment of the grants. Where such schools exist and meet the needs of the village concerned, Government schools should not be started. As suggested by the Inspector-General, the schools should be placed under a Committee of villagers and the Taluk Progress Committee may also, when they undertake to do so, be allowed to supervise the general working of these schools.

All appointments of schoolmasters under the scheme will be subject to the approval of the Inspector-General. Efficient masters of such schools may be taken to the Government service from time to time and a certain number of successful schools may be converted into Government Schools.

5. Government also direct that the following conditions and standards should be observed when starting new schools:—

(i) A school to be opened must be in an area which has not already a sufficient number of schools for the whole population.

(ii) The services of persons who have passed at least the Lower Secondary Examination should be secured as far as possible for employment in

these schools. All unpassed candidates seeking employment should be required to produce from an Inspecting Officer not below the rank of a District Educational Officer that they are eligible for employment in an aided school.

(iii) A suitable building is forthcoming.

(iv) There should be at least 15 children on the rolls of the school to be opened with a daily average attendance of 10.

6. The cost will be met from the source pointed out by the Inspector-General of Education in the letter read above.

C. S. BALASUNDARAM IYER,
Secy. to Govt., Depts. of Edn. & Agriculture.

To—The Inspector-General of Education in Mysore.
The Comptroller, Mysore Government, through Branch II.
The Secretary, Economic Conference.

Proceedings of the Government of His Highness the Maharaja of Mysore, General (Miscellaneous), dated 8th May 1914.

No. G. 8987-90—G. M. 73-13-110, DATED BANGALORE, 8TH May 1914.

ORDER.—Government Order No. G. 6011-60, dated 27th May 1904, publishing rules regulating the supply of stationery and printed forms to the Public Offices in the State provides for the supply of such stationery articles to certain officers and offices on payment by book adjustment. Para 422 of the Railway Construction Code and 363 (3) of the Open Line Code, Vol. I, provide that the cost of stationery and forms supplied to Railways, opened or under construction, should be debited to them. The attention of the Superintendent, Government Stationery, is invited to the above rules on the subject and he is requested to charge for all supplies made to the Railway Department and adjust the cost in the manner prescribed in Government Order No. G. 5151-63—G. M. 53-12-63, dated 12th January 1914.

2. The cost of articles supplied during the last year and the current year should also be adjusted as above.

D. M. NARASINGA RAO,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Superintendent, Government Stationery Depot.
The Comptroller, Mysore Government.
The Comptroller, Public Works and Railway Branch.
The Secretary for Railways in Mysore.

Exd.—K. S.

Proceedings of the Government of His Highness the Maharaja of Mysore, General (Miscellaneous), Dated 18th May 1914.

READ—

Report on the working of the Department of Industries and Commerce during the year 1912-13, received with letter dated the 25th August 1913, from the Director of Industries and Commerce.

No. G. 9317-8—G. M. 67-13-267, DATED BANGALORE, 18TH MAY 1914.

ORDER THEREON.—Recorded.

2. The Department of Industries and Commerce was constituted under Mr. A. Chatterton in January 1913 and the present report deals with the work of the Department during a period of less than six months.

3. The work done by the Department falls under three main heads, *viz.*, (1) experimental work carried on at the expense of Government, (2) Industrial work on behalf of private individuals and (3) General industrial enquiries including supply of information to the public. The experimental work carried on was mainly in connection with the hand loom weaving, silk reeling, manufacture of sugar and jaggory, wood turning and preparation of woollen shawls.

4. A central weaving factory was organized to teach the weavers the use of improved implemetns for hand loom weaving and machine-driven lathes were introduced in the manufacture of lacquerware toys. A demonstration party was formed to popularise the fly-shuttle loom in rural tracts.

In connection with silk reeling some experiments were carried on to find out how far improved methods could be introduced with profit, and as a result, it was decided to set up a small reeling plant on the Japanese system at Channapatna.

5. In connection with the cultivation of sugar-cane, three sugar-cane mills driven by oil engines were set up, one in the Mysore District and two in the Tumkur District. The experiment has shown that there is great scope for the use of power-driven mills for crushing cane, wherever sugar-cane is grown extensively as, by their use, much saving in cost and labour may be effected in the manufacture of jaggory. A new furnace has also since been designed which is expected to do away with the use of fuel other than the megasse derived from the cane for boiling the juice. The successful working of the plant however depends chiefly on the existence of a proper organization for the prompt and regular supply of cane to the mill so that the machinery may be worked at its maximum efficiency. Government trust that, with the co-operation of Revenue officers and influential raiyats, the Director will be able to overcome this difficulty and convince the raiyats of the advantages to be derived by the adoption of these mills.

6. As regards industrial work done on behalf of private individuals at their cost, the Department has helped in the design and erection of a number of industrial installations and small factories such as (1) engines and pumps to lift water for irrigation, (2) rice hulling plants, (3) saw mills, etc., and the growing popularity of the use of power appliances for purposes of irrigation is in a great measure due to the efforts of the Department.

7. The operations of the Department have been mainly of a preliminary and preparatory character and Government are pleased to record their appreciation of work done by the Director during the period under review.

C. S. BALASUNDARAM IYER,
Secy. to Govt., Edn. & Agriculture.

To—The Director of Industries and Commerce in Mysore.
The Revenue Commissioner in Mysore.

Exd.—C. B.

Proceedings of the Government of His Highness the Maharaja of Mysore, General (Miscellaneous), dated 21st May 1914.

No. G. 9451-98—G. M. 328-13-1, DATED BANGALORE, 21ST MAY 1914.

ORDER.—It having come to the notice of Government that a Government official had obtained a license for collecting corundum from the Geological Department, Government consider it necessary to draw the attention of all officers and officials to the undesirability of Government servants engaging in such transactions as they are of a speculative character and comes under the category of 'prohibited' acts as contemplated in Section 30 of the Land Revenue Code and the Standing Orders contained in the Government of India (Home Department) Notification No. 3421, dated the 28th August 1872, republished in the *Mysore Gazette* of the 14th September 1872.

2. No public servant will, without the previous sanction of Government, be allowed to take up directly or indirectly licenses for collecting corundum or other material, or for exploring, prospecting or mining for minerals.

3. Officers who have already engaged themselves in such concerns directly or indirectly, should report the matter for the orders of Government.

D. M. NARASINGA RAO,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Secretaries to Government in all Departments.
The Heads of Departments.
The Deputy Commissioners of Districts.

Exd.—C. R.

Proceedings of the Government of His Highness the Maharaja of Mysore, General (Miscellaneous), dated 23rd May 1914.

READ :—

Government Orders Nos. J. 3203-41—C. 261-2, dated 11th May 1905, G. 4739-86—G M. 253-12-5, dated 13th February 1913, G. 5125-72—G. M. 253-12-7, dated 27th February 1913 and G. 5811-58—G. M. 253-12-9, dated 26th March 1913, prescribing * certain standard patterns of typewriting machines for use in public offices.

*The Remington.
" Yost.
" Densmore.
" Hammond.
" Underwood
" L. C. Smith, and
" Oliver.

No. G. 9578-625—G. M. 312-13-1, DATED BANGALORE, 23RD MAY 1914.

ORDER THEREON.—It is brought to the notice of Government that typewriting machines in use in the various Government Offices deteriorate much faster than they should, as machines of approved patterns are not invariably purchased and as officials possessing little or no experience in the art of typewriting are permitted to handle the machines.

2. Government therefore consider it necessary to impress upon heads of offices the necessity for purchasing only the patterns of typewriters approved by Government, a list of which is given above and employing as typists only such persons as have passed a recognised examination in typewriting, *viz.*, either the Intermediate grade or the Elementary standard.

3. The Manager, or the head of the office, should examine the working of the machines once a month and record his opinion in a register kept for the purpose as to whether the same is properly maintained by the typist in charge.

D. M. NARASINGA RAO,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Heads of Departments.
The Deputy Commissioners of Districts.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Military), dated 19th May 1914.

READ—

Letter No. 4493, dated the 22nd April 1912, from the Chief Commandant, Mysore State Troops, forwarding correspondence ending with the Comptroller's docket No. 5164-491, dated the 4th March 1912, on the subject of cashing the pay bill of an official of the Chief Commandant's office working in Mysore as a temporary measure.

No. G. 9385-7—MILY. 254-11-2, DATED BANGALORE, 19TH MAY 1914.

ORDER THEREON.—The practice of detailing the members of one establishment to another for work, without ordering their formal transfers, is contrary to the Standing Orders of Government. But in view of the exigencies of service peculiar to the Military Department, Government are pleased to authorise the Chief Commandant, Mysore State Troops, to order, whenever necessary, men belonging to one establishment to work temporarily in another, without either making formal transfers or altering the sanctioned scale of the respective establishments, provided the period of such arrangements does not exceed three months in a year in the case of any particular individual and that each arrangement is duly communicated to the audit office.

2. Whenever it is considered necessary to continue the arrangement for a period longer than three months, the previous sanction of Government should be obtained thereto.

3. The Military Secretary to His Highness the Maharaja may also continue to exercise similar powers in the Departments under his control, subject to the limitations specified above.

D. M. NARASINGA RAO,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Chief Commandant, Mysore State Troops.
The Comptroller, Mysore Government.
The Military Secretary to His Highness the Maharaja.

Etd.—C. R.

Proceedings of the Government of His Highness the Maharaja of Mysore, Muzrai, dated 6th May 1914.

READ—

Petition Registered No. 1120, dated the 18th December 1913, from A. Srinivasayya and others of Bangalore, regarding the inhospitable conduct of the Malur chattram servants towards them and praying for an enquiry into the matter.

Correspondence ending with letter No. 227, dated the 4th March 1914, from the Deputy Commissioner, Kolar District, forwarding the report called for in the matter together with the explanations of the officials concerned.

No. 3142-50—Muz. 280-13-4, DATED BANGALORE, 6TH MAY 1914.

ORDER THEREON.— Recorded.

The chattram servants should be courteous and considerate to travellers; and when provisions cannot be supplied either for the travellers not belonging to the poor class or when the allotment is exhausted, they should render to the travellers all help by supplying room and vessels and procuring provisions for cash or cooking for them, if necessary, when asked.

The Deputy Commissioner is requested to strictly warn the chattram servants not to give room to similar complaints in future and direct the Amildar to exercise better supervision over the chattram employees.

D. M. NARASINGA RAO,
Offg. Secy. to Govt., Gen. & Rev. Depts.

To—The Deputy Commissioner, Kolar District, with enclosures.
The Deputy Commissioners of other Districts for information.
The Muzrai Superintendent in Mysore.

Exd.—C. R.

Proceedings of the Government of His Highness the Maharaja of Mysore, Public Works, dated 9th May 1914.

READ—

The following letter No. 4653–G. A. II 721, dated the 21st March 1914, from the Comptroller, Public Works Branch, to the Chief Engineer.

"With reference to paragraph 2 of your letter No. 9401, dated the 8th November 1913, suggesting that a monthly statement of changes in the salary of all Government Officers (whether Civil or Public Works) occupying Government buildings as residences on payment of rent be prepared in this office and extracts therefrom be communicated to the Executive Engineers concerned, I have the honour to state as follows:—

The information required is about the changes in the salaries of officers to enable Executive Engineers to demand the correct rent under the rules.

(i) So far as the officers whether gazetted or non-gazetted working in the Divisions are concerned the Executive Engineers in charge of the Divisions are the best informed in persons in this respect and they are besides the disbursers of the salaries of such officers. There is no need for them to depend on anybody else for correct information for recovering the proper amounts due from Public Works Department Officers.

(ii) So far as officers of the Civil Department are concerned they may broadly be divided into two classes gazetted and non-gazetted. It is no doubt the duty of the Executive Engineer who stands in the position of the landlord so far as recovery of rent for residential buildings is concerned to get accurate data for demanding the rent recoverable, but there should be some procedure which furnishes him with the particulars required by him for claiming rent. The intimation by the Audit Office of changes in the pay of tenants is not possible as the Civil system of audit of members of establishment is not nominal nor has the Civil Audit branch information regarding the buildings occupied by officers. Any intimation by Audit Office of changes of pay will also mean delay in enforcing recovery of proper amounts of rent and such delay should be avoided. The best arrangement to keep the Executive Engineers informed of changes in the pay of tenants who are officers of the Civil Department, is to require in the case of gazetted officers, the officers themselves to advise the Executive Engineers of increases to their salaries and in the case of others to require the District Head of the Department concerned to give the necessary intimation. While the responsibility to furnish particulars of changes may be devolved on the officers mentioned, the responsibility to insist on a systematic report to them of such changes should continue to rest with the Executive Engineers themselves. To enforce the responsibility of the tenants and the Executive Engineers, it may be laid down that a report of every change of their salary should be made by the former or their official superior to the latter whenever there is any such change, that a quarterly report of their pay should be sent by them whether there is any change or not and that the latter should regularly insist on reports of the latter kind and also of the former kind when they become aware of any such change and do not immediately get a report of it sent by the tenant or his official superior of his own accord and as he is required to do."

No. 926-61—4609-44, DATED BANGALORE, 9TH MAY 1914.

ORDER THEREON.—The procedure suggested by the Comptroller in the letter read above, for keeping the Executive Engineers informed of all changes in the salary of Government officers occupying Government buildings as residences, to enable the former to demand correct rent under the rules, meets with the approval of Government.

2. Government are accordingly pleased to direct that the procedure should be adopted by all the officers concerned.

K. KRISHNAIENGAR,
Offg. Secy. to Govt., P. W. Dept.

To—The Superintending Engineers of Circles.
The Heads of Departments.
The Secretaries to Government in the other Departments.
The Deputy Commissioners of Districts.

Exd.—C. R.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Public Works), dated 30th May 1914.

READ—

Memo No. 5027—B. dated the 6th April 1914, from the Comptroller, Public Works Branch, submitting a printed copy of the Capital and Revenue Accounts of the Public Works Workshop at Bangalore for the year 1911-12.

NO. 1087-S—5382-3, DATED BANGALORE, 30TH MAY 1914.

ORDER THEREON.—Recorded with the following observations:—

2. The Public Works Workshop, which was originally organised in connection with the Bangalore Water Works and maintained solely in the interests of the water-supply, was ordered to be treated as an independent unit in 1905 for account purposes. In 1912 the Comptroller was requested to maintain separate Capital and Revenue Accounts for the Workshop to enable the Chief Engineer to see how it could be improved and worked efficiently. Government are pleased to note that such accounts have been prepared for the year 1911-12. In order to arrive at a correct estimate of the value of work turned out in the Workshop and to ascertain whether the concern is working at a profit or loss from a commercial point of view, it is necessary that Capital and Revenue Accounts should be regularly maintained.

3. The rates adopted for the calculation of depreciation of Block and of Machinery, *viz.*, 3 and 4 per cent respectively, are approved.

4. The Workshop has not been constituted as a separate Division but is under the management and supervision of the Executive Engineer, Water Supply and Stores Division. So long as the present arrangement continues, no charges on account of the pay and allowances of the Executive Engineer and his general staff need be debited to the Workshop, but only the cost of the special staff employed for the purpose. Similarly, no percentage charges need be levied on the cost of works executed by the Workshop for the Public Works Department, in consideration of the fact that the management of the Workshop is entirely vested in the Executive Engineer and his staff, whose salary is debited to the General Charges of the Public Works Department.

5. The report promised by the Comptroller in paragraph 8 of the Note will be awaited.

6. The Codal Rule regarding the clearance at the end of the year of all charges incurred on jobs of a trifling character should be strictly adhered to.

7. The articles required for the Workshop should, in future, be obtained on indent on the Divisional Stores, and the Workshop establishment should have nothing to do with their purchase as already ordered *vide* paragraph 2 of Public Works Secretary's No. 750-1—3569-70, dated the 15th April 1914.

8. The Capital and Revenue Accounts of the Workshop may, in future, be submitted by the Comptroller in December of each year as this corresponds to the date fixed in paragraph 1067 of the Public Works Code to the Mysore financial year. The submission of the accounts for the year 1912-13 may be expedited.

KARPUR SHRINIVASRAV,
Offg. Secy. to Govt., P. W. Dept.

To—The Comptroller, Public Works Branch.
The Superintending Engineer, Southern Circle.

Proceedings of the Government of His Highness the Maharaja of Mysore, Railways, dated 13th May 1914.

READ—

Letter No. 5467, dated 19th—20th March 1914, from the Chairman, Bangalore-Chikballapur Light Railway Company, Ltd., to the Engineer-in-Chief, State Railway Construction Department, requesting that arrangements may be made for working the Bangalore-Chikballapur Light Railway by Government Agency, as a temporary measure, until other permanent arrangements are made.

2. Note No. 363, dated 3rd April 1914, from the Secretary for Railways, recommending that the line may be worked by Government for actual working expenses.

No. 1488-91—Ry. F. 17-13-14, DATED BANGALORE, 13TH MAY 1914.

ORDER THEREON.—The proposal of the Secretary for Railways is sanctioned. As desired by the Directors of the Bangalore-Chikballapur Light Railway Company, their approval should be obtained to the authorization rolls before submitting the same for sanction of Government.

K. KRISHNAIYENGAR,
Offg. Secy. to Govt. for Railways.

To—The Secretary to Government, General and Revenue Departments.
The Secretary to Government, Financial Department.
The Comptroller of Mysore, Public Works and Railway Branch.
The Engineer-in-Chief, State Railway Construction Department.

Exd.—C. R.

Proceedings of the Government of His Highness the Maharaja of Mysore, Railways, dated 25th May 1914.

READ—

Note No. 292, dated 19th February 1914, from the Secretary for Railways, Government of Mysore, submitting proposals for the grant of allowances to certain officers employed in the State Railway Construction Department.

No. 1565-69—RY. F. 190-13-14, DATED BANGALORE, 25TH MAY 1914.

ORDER THEREON.—The proposals of the Secretary for Railways have been considered by Government and they are pleased to sanction the grant of allowances as noted below for one year with effect from 1st March 1914:—

(1) An allowance of Rs. 100 to all Executive Engineers.

(2) An allowance of Rs. 50 to all Sub-Divisional Officers with the exception of Mr. R. N. Mirza, Assistant Engineer.

2. Government are also pleased to sanction the continuance of the allowance of Rs. 100 per month granted to Mr. H. D. Rice, Executive Engineer, in Government Order No. 125-8—Ry. F. 4E-12-13, dated 2nd August 1912, up to 1st March 1914.

3. In the case of Mr. T. S. Raghavachar, Executive Engineer, the allowance of Rs. 100 per mensem to be drawn under paragraph 1 above will be in lieu of the allowance of Rs. 75 per month sanctioned in para 2 of Government Order No. 967-76—Ry. F. 17-12-13, dated 28th February 1913.

K. KRISHNA IYENGAR,
Offg. Secy. for Rys., Govt. of Mysore.

To—The Secretary to Government, General and Revenue Departments.
The Secretary to Government, Financial Department.
The Secretary to Government, Public Works Department.
The Comptroller, Public Works and Railway Branch (through the Financial Secretary to Government).
The Engineer-in-Chief, State Railway Construction Department.

Exd.—C. R.

87	R 9124—L R 523-12-4 ...	27	Rev. Commissioner ...	Records the Revenue Commissioner's letter with reference to Subject No. 130 of Representative Assembly Proceedings of 1912, regarding the inadvisability of the shekdars being empowered to deal with applications for building sites, etc.

Serial No.	Proceedings: Number	Proceedings: Date	Proceedings: To whom sent	Subject and Order
88	R 9127-8—L R 453-13-2...	27	Rev. Comr. and Survey Superintendent	Directs that an extent of 26 guntas of land out of Survey No. 18 of Byrasandra village, Tumkur Taluk, which is now treated as wet be classed and assessed at dry rates, the land continuing, however, to form part of Survey No. 18.
	R 9129-30—L R 554-12-7	27	Do ...	Sanctions the appropriation of 2 acres of land out of Survey No. 104 in the Lingapur village (Mandagadde) Tirthahalli Taluk, for the construction of a Maternity and Hospital by the Wesleyan Mission; and the writing off the accounts, the proportionate assessment thereon.
90	R 9139—L R 137-13-8 ...	27	Compiler, *Mysore Gazette*	Directs the confirmations of Messrs. G. Venkata Rao, C. Lakshmana Rao and S. Sundararajiengar, Acting Amildars, as Deputy Amildars.
91	R 9140 ...	27	Rev. Commissioner ...	Forwards a copy of the above.
92	R 9150—L R 45-13-8 ...	28	Do ...	Sanctions as a special case, the remission of Rs. 3,632-15-4, being one-half assessment on lands which remained uncultivated under the Tumkur-Amanikere, during the years 1899-1900, 1901-02 and 1902-03, owing to the tank having received but a small supply, during the said year, on account of scanty rainfall.
93	R 9151—L R 448-12-4 ...	28	Shanbhog Raghavendrappa and raiyats of Bachappanahalli, Surappanahalli and Kalhalli villages, Chintamani Tk.	Informs that Sonnappanakere tank at Kalhalli cannot be restored as prayed for by them, as its bed was long ago given away for cultivation after deciding that the restoration of the tank was unnecessary.
94	R 9155—L R 397-11-4 ...	28	Rev. Commissioner ...	Confirms his order dismissing the appeal of Narasappa of Indavara, Chikmagalur Taluk, regarding the cancellation of the sale, for arrears of revenue, of certain lands in the said village, which stood in the khate of his deceased brother Suryanaranappa.
95	R 9156—L R 397-11-5 ...	28	Narasappa, Shanbhog of Indavara village, Chikmagalur Taluk	Informs him of the above order.
96	R 9170-1—L R 32-13-9 ...	29	Dy. Comr., Kadur, and Comptroller	Confirms the sale of the right to collect tolls at the Balehonnur Bhadra bridge in the Yedahalli Sub-Taluk, for 1914-15, to one Amin Sab, for Rs. 860.
97	R 9177-8—L R 32-13-7 ...	29	Do ...	Confirms the sale of the right to collect tolls on the Tunga bridge near Hariharpur, Koppa Taluk, during 1914-15, to one Parameswara Setti, for Rs 1,356.
98	R 9206—L R 588-11-6 ...	29	Sampangiramiah, Patel, Panamakanahalli, Malur Taluk	Confirms the order of the Revenue Commissioner, directing the appointment of separate Patels for each of the villages of Panamakanahalli, Byatarayanahalli, Byratanahalli, for which he is the registered Patel, with the observation that if he has sons competent to do the Patel work, they may be appointed gumastas for the other two villages.
99	R 9207—L R 588-11-6 ...	29	Rev. Commissioner ...	Forwards a copy of the above order.
100	R 9212—L R 554-13-2 ...	30	Rudrasetti and others of Viranpura and other villages in Kasaba and Begur hoblis, Gundlupet Taluk	Informs them that it has already been decided to abandon the restoration of the Nallur-Amanikere tank on the grounds that the project is prohibitively costly and that the supply of water to the Narasambudhi tank is likely to be thereby affected.
101	R 9232—L R 530-12-6 ...	30	Rev. Commissioner ...	Modifies his order directing the recovery from C. D. Subba Rao and C. Ramachandra Rao, sons of C. Vasudeva Rao, Pleader, Chikballapur, of the full assessment on certain Kodagi inam lands in Chikkabandaraghatta village, Sidlaghatta Taluk, from the year 1895-96, and directing that

Serial No.	Proceedings			Subject and Order
	Number	Date	To whom sent	
				their liability be restricted to arrears due since the date of purchase by their father in the court sale.
102	R 9233—L R 530-12-7 ...	30	C. D. Subba Rao and C. Ramachandra Rao	Informs them of the above order.
103	R 9234-5—L R 315-08-4	30	Rev. Comr. and Supt. of Inam Settlements	Sanctions the resumption of Inam tenure of Uttamakarga and Balagaikarga Inam lands in the Chaluvanhalli village, Kolar Taluk.
104	R 9242-3—L R 198-13-4	30	Rev. Comr., and Supdt. of Rev. Survey and Settlements	Directs that Survey No. 24 of Kuppur in the Chiknayakanhalli Taluk, which is a "topo" be fully assessed and registered in the name of a local matt known as the Gadige matt, which is reported to have been enjoying its produce from 1880.
105	R 9255—L R 16-13-42 ...	30	Comptroller ...	Sanctions two bills for Rs. 99-4-0 and Rs. 2-6-8, respectively, being the arrears of potgi due to the patel gumastas of Mulbagal and Surlebalebyle villages in the Tirthahalli Taluk.

	Number	Date	To whom sent	
1	R 8808-9—Agri 125-13-2	13	Director of Agri. and Comptr.	Sanctions the journeys of two servants of the Agricultural Department to the Mangalore and Honnavar Ports to take delivery of consignments of certain chemicals required for Koleroga investigation work, if the necessity for sending the servants arises.
2	R 8834-5—Agri 8-13-84	15	Secy., I. and C. Committee and Dasara, I. and A. Exhn. and Comptr.	Supplies the Dasara Exhibition office with a copy of Morris' Guide to Bangalore and Mysore Directory and sanctions the purchase of certain Directories for use in that office.
3	R 8838-9—Agri 2-13-9 ...	15	Director of Agri. and Comptr.	Sanctions the journeys made by C. Ellappa Chetty, Agricultural Inspector, and one Farm servant to Dharwar and back in December 1913 for procuring good seed potatoes.

Serial No.	Proceedings			Subject and Order
	Number	Date	To whom sent	
4	R 8874-7—Agri 61-12-26	18	Director of Agri., Rev. Comr., Dy. Comr., Bangalore Dt. and Comptr. to Govt.	Sanctions the acquisition of 15 acres and 15 guntas of land in the Hadgodi village, Bangalore Taluk, for being leased out to the Military Dairy Farm in exchange for 22 acres of the Farm's land in the Hebbal Rifle Range to be leased out to the Agricultural Department in Mysore; and authorizes the Deputy Commissioner, Bangalore District, to take possession of the land under section 17 of the Land Acquisition Regulation, and place it at the disposal of the Director of Agriculture, soon after the publication of the declaration statement in the gazette.
5	R 927—Agri 61-12-27 ...	19	First Asst. to the Hon'ble the Resident	Informs him of the above.
6	R 8912-4—Agri 116-13-2	19	Director of Agri., Comptr. and Secy., Ec. Conference	Sanctions the proposal of the Director of Agriculture to establish a dairy and cattle breeding station in the Hebbal Experimental Farm involving non-recurring and recurring expenditure of Rs. 15,300 and Rs. 4,000 respectively, and directs that a provision of Rs. 19,300 be made for the purpose in the budget for 1914-15.
7	R 8940-5—Agri 109-13-7	20	Chairman, I. and C. Committee, Secy., Agri. Committee, Secy., Edn. Committee, Secy., Ec. Conference, Comptr. to Govt. and I.-G. of Edn.	States that the non-official member from the Agricultural Committee to be represented in the Industries and Commerce Committee in connection with the Dasara Exhibition may be selected by the Agricultural Committee itself and that the representatives from the Education Committee will be the Inspector-General of Education and one non-official member to be selected by that Committee.
8	R 934—Agri 94-13-6 ...	21	First Asst. to the Hon'ble the Resident	Informs him that the Durbar believe that the system proposed by the Government of India for transferring the conduct of crop cutting experiments to the Agriculture Department will eventually tend to effect a great improvement in the accuracy of figures in the quinquennial return and that it is however desirable to give effect to the change from the end of the year 1916-17.
9	R 8990-1—Agri 11-13-2...	22	Rev. Comr. and Comptr.	Sanctions the promotion of the four 3rd grade and three 4th grade Veterinary Assistant Inspectors to the 2nd and 3rd grades on Rs. 50 and 40 respectively and directs that the two temporary Assistant Inspectors on Rs. 30 be made permanent and promoted to the 4th grade on Rs. 40 after four years' approved service on Rs. 30.

Serial No.	Proceedings			Subject and Order
	Number	Date	To whom sent	
10	R 9054-5—Agri 22-13-66	25	Director of Agri. and Comptr.	Sanctions the purchase of one Salter's spring balance to weigh 300 lbs and an iron rail 20 ft. long at a total cost of Rs. 35 for the use of the Experimental Farm at Hebbal.
11	R 9056-7—Agri 22-13-65	25	Do ...	Sanctions the purchase of six tour boxes at a cost of Rs. 14 each for the use of the Agricultural Inspectors posted to district work.
12	Pol 946—Agri 105-13-2	25	First Asst. to the Hon'ble the Resdt.	Informs him that the Durbar would be willing to contribute a sum not exceeding Rs. 1,000 per annum for a period of five years towards the employment of a Mycologist by the United Planters' Association of Southern India, to investigate the important fungoid diseases of coffee, tea and rubber.
13	R 9113—Agri 81-13-16 ...	26	Compiler, *Mysore Gazette*	Notifies the grant of two weeks' privilege leave to Dr. L. C. Coleman, Director of Agriculture in Mysore, with effect from the 28th April 1914, Mr. A. K. Yegnanarayana Iyer, Deputy Director of Agriculture, being in charge of the curent duties of the Director's office during the period.
14	R 9114 ...	27	Director of Agri. ...	Forwards copy of the above.
15	R 9257-9—Agri 8-13-94	30	Secy., Dasara I. and A. Exhn., Comptr. and I. G. of Education	Sanctions a provision of Rs. 300 being made in the Exhibition budget for 1914-15 for expenses in connection with the Education Exhibition.

Approves of the proposal of the Comptroller, Public Works and Railway Branch, to charge in equal proportions the pay of the Deputy Comptroller and the Chief Superintendent to the Public Works and Railway budgets for 1914-15 and one-fourth of their travelling allowance to the Railway and three-fourths to the Public Works budget.
11	Fl 5627-8—156-13-2 ...	28	Dy. Comr., Mysore, Dt. and Comptr.	Sanctions an estimate for Rs. 980 on account of effecting necessary repairs to the house belonging to the late Mr. Dalavoy Devaraj Urs at Nanjangud and now under Government management, the cost being met from the revenues of his estates.
12	Fl 5629—44-13-25 ...	28	Comptroller ...	Sanctions the purchase of certain books for the library of the Comptroller's Office, the cost thereof, *viz.*, Rs. 24-2-0, being met from the contingent grant of the office.
13	Fl 5657—148-13-2 ...	29	Dy. Comr., Shimoga Dt.	In the matter of the application of the Managing Director of the Peoples' Bank, Ld., of Thirthahalli for encashing currency notes at the treasury without payment of commission, observes that Government having decided to keep ordinarily sufficient specie in the treasury to meet the Bank's requirements, it does not appear necessary to forego the commission which is just sufficient to meet the remittance charges.
14	Fl 5673—158-13-2 ...	30	Compiler, *Mysore Gazette*	Notifies the grant of privilege leave of absence of three months to Mr. L. Bhistopanth Badami, B.A., Assistant Comptroller, with effect from the date of his availing himself of the same and the appointment of Mr. M. A. Rangachar, B.A., Assistant Examiner, to act for him during his absence or until further orders.

FINANCIAL SECRETARIAT.
Bangalore, 31st May 1914.

J. S. CHAKRAVARTI,
Financial Secretary.

SECTION 2—SEPARATE REVENUE

TABULAR STATEMENT OF MATTERS OF ROUTINE FOR MAY 1914.

Serial No.	Proceedings			Subject and Order
	Number	Date	To whom sent	
1	Fl 5140—S R 111-13-4 ...	2	Ex. Commissioner ...	Sanctions the issue, duty free, of ten gallons of spirits every year to Dr. Frattini, Assistant Scientific Officer, U. P. A S. I., for *bona fide* use in the Chemical Laboratory at Mudgere.
2	Fl 5142-3—Ex F 20-03 ...	2	Ex. Comr. and Rev. Comr.	Approves of the suggestion of the Deputy Commissioner, Tumkur District, regarding the grant for cultivation of certain lands of Maddalur village in the Sira Taluk which were comprised in the list of date reserves, with the observation that this practice may be maintained whenever the tank in the village gets a sufficient supply of water and that the grazing right of the ryots over the gomal lands included in the list be continued, subject to such restrictions as are calculated to prevent the destruction of date trees standing thereon.
3	Fl 5211—S R 155-13-4 ...	6	Ex. Commissioner ...	Sanctions the disposal by auction of the special liquor shops in the State for 1914-15 for another year as a tentative measure and requests the Excise Commissioner to watch the effect of this measure and to submit a report along with his proposal regarding the disposal of these shops next year.
4	Fl 5212—S R 127-13-4 ...	6	Do ...	Observes that Government are not convinced of the desirability of reverting to the system of fixed fee in the disposal of the English draught beer tavern on the Kolar Gold Fields and that they accordingly direct its sale by auction.
5	Fl 5213—S R 154-13-4 ...	6	Do ...	Sanctions the disposal by auction of the country beer tavern in the Bowringpet Taluk for 1914-15.

Proceedings			Subject and Order
Number	Date	To whom sent	
Fl 5251—S R 7-13-75 ...	9	Excise Commissioner ...	Forwards for disposal a petition received from certain toddy drawers of the Gundlupet Taluk, complaining against the disposal of toddy shops by auction.
Fl 5252—S R 7-13-79 ...	9	Do ...	Forwards for disposal a petition received from certain inhabitants of Hadinaru village, Nanjangud Taluk, requesting certain concessions regarding the date trees standing on their lands.
